Run Report – 2262

We all gathered at the trailer at Betty Barefoot and Grohers run. Runners and walkers went on on to the streets of Pimlico and surrounds.

All the pack of 47 hashers gathered around the trailer like a pack of thirsty wild animals as usual. GM called the circle down down to the hares. **Serenity** gave the run report, (mustn't have had enough chalk, or bloody ran out so he says.

Damitt gave walkers and trailer report lazy "bastards" I think it was **Knickaless**.

Pub report was **Clitis**, thats a change at the pub; oh yes misses wasn't here as was in Brisvegas.

Welcome home to **Homo** and **Gaylic.** Visitors, **Sum Cunt** duno where from, and **Stubbie** well he is traveling again in his flash "shaggin waggin". Also visiting from Japan was **Warts** daughter who name is "**Battered Sav**" she must have been named down south as us NSW hashers loved the old / sav you can't get em in QLD "Bugger"

B/ days **Pick Up**, **Knickaless** and **Damitt.**

Errectus still missing. Prick of the week from **Coyote F/ugly** to **BlueBalls**, don't know why cause wasn't listening!!!!!!!!

Well the MONK arrived hasn't cum for a long time everyone on knees.

Our new walker Clare bear was named with the usual bullshit stories and was name **Snipper** . I gather she got the name as she works at Townsville Air Port as Security and shoots at the odd and weird things that land on our run ways, she mustn't be a good shot as our Politicians keep commin back up here. !!!! Raffles were won by **Sherlock, Ramy** and **Sum Cunt**

Good night and great nosh thanks **Betty** and **Gropher** !!!!

Funny Fact

Approximately 40,000 Americans are injured by toilets each year.

The truth behind Titanic

The Rugged Outdoor Woman

During her physical examination, a doctor asked a retired woman about her physical activity level.

The woman said she spent 3 days a week, every week in the outdoors and yesterday afternoon was typical.

"I took a five hour walk about 7 miles through some pretty rough terrain. I waded along the edge of a lake, pushed my way through 2 miles of brambles, got sand in my shoes and my eyes, barely avoided stepping on a snake, climbed several rocky hills, went to the bathroom behind some big trees, ran away from an irate mother bear, and then was chased by an angry bull Elk."

Mental stress of it all left me shattered. At the end of it all I drank a scotch and three glasses of wine."

Amazed by the story, the doctor said, "You must be one hell of an outdoor woman!"

"No," the woman replied, "I'm just a really, really shitty golfer."
