

MOVIE STARS AT OSCAR'S

TVH3 RUN 2250

BARTLETT PARK RODEO
2019

I've only just begun; that's what it felt like when Serenity passed on "BRANDY" and gave me the honor of being GM of Townsville Hash for runs 2226 to 2275.

GM Report

What a year! Honestly it wouldn't have happened if not for the committee I had doing all the hard work and the other members who put up their hands and helped when asked. I had never been on the committee before and when Serenity asked me to be GM I shit myself. (He's a good salesman and knows quality when he sees it). A BIG THANK YOU to all of you.

It was a quiet start to my reign, but plenty did happen over the year. Late January to early February Hash History was almost made. Mother nature was upset and it began to rain. Flooding our beautiful city. Self-Abuse called me and asked What we should do, He didn't want to cancel and be left to play all by himself. The decision (Its on) was made and a small pack turned up (Free piss! We ran out and Daisy arrived to restock). Self-Abuse was happy, Hash history wasn't made that day.

A good mix of runs throughout the year. Even though I didn't run, i could tell the quality of runs by the level of whinging or the accolades handed out back at the trailer.

The main runs that stick in my mind are of course The Celebration Run out at Bartlett park. To me it was success and if not for everybody that pitched in it just wouldn't have happened. I can't thank you enough.

The Red Dress run. I loved the effort and enthusiasm that most put into the run. It was great. Unfortunately, we had to change recipients of our donation but that was out of our control. It was really pleasing to see how interested people were in who we are and who we were raising money

for. (Hounds4Helaing). I have to give Paul and Kim from the Herbert Hotel a Big THANK YOU for their huge donation to get the night started. (\$400).

Another run that will stick in my mind is run 2269. Matt, Peter, Grant and their furry friends from Hounds4Healing, came along to tell us a bit about their organization and what they are trying to achieve for defence veterans. Also, to thank us all for our donation and how it would help train their dogs.

I've written more than enough. So, all I can say is Thank you and thanks to my committee for all their support and help, and to all the members for putting up with me. I hope you all give the new GM and their committee the same support that all you gave me.

Thank you everyone.

On On Shatter

P.S. If I could change one thing, I would've banned international travel by members for my time. I hate sculling liquid shit Ewok.
