RUN REPORT 2070

The post-Christmas run gathered a small group of runners and walkers to **Cat Blew** and **Crapper's** place.

After a quick catch up to discuss everyone's Christmas activities, drunkenness and **Cat Blew's** failure to be able to use eBay properly.

The pack headed off out the gates and around the block, a lovely drinks stop of Stones and Lemonade awaited us at the local park as well as lollies for our extra sugar hit.

Back at the **Cat Blew's**, the circle formed.

Wart got confused and could not tell **Pink Bits** and **Tartann** apart, the fact that they is a foot's different in their height doesn't seem to matter.

Walkers and runners reports by **Pussy Lane** and **Tartann** suggested that the run went round the block a few times.

Cat Blew told the story of Christmas past when, **Show Stopper**, **Benta** and **Azaria** went to her house for late night drinks and ended with lots of loving all round, **Benta** is still smiling.

The new father and son team of **Benta** and **Cowboy** was announced as they are now dressing the same and the poor joke telling obviously runs in the family.

Prick of the week went to **Doug Meat** for being a skinny prick and the Erectus went to ????

We raffled up with prizes galore. Charges were a bit light on as everyone must have been on there best behaviour whist Santa was around.

Nosh was surprise chicken and rice. Went down a treat.

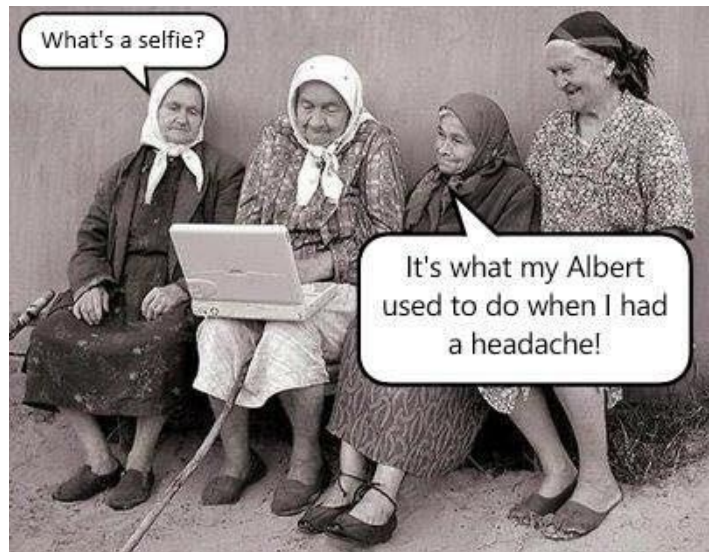

On on till next week.
Wet Spot

Paddy says to Mick, "I'm getting circumcised tomorrow."

Mick says, "I had that done when I was a few days old."

Paddy asks, "Does it hurt?"

Mick says, " Well I couldn't walk for 12 months.."

Everyone seems to be wondering why Muslim Terrorists are so quick to commit suicide. Let's have a look at the evidence:

- No Christmas
- No television
- No football
- No pork chops, hot dogs, burgers or bacon.
- No beer
- Rags for clothes and towels for hats
- Constant wailing from a tower
- More than one wife which means more than one mother in law
- You can't shave
- Your wife can't shave and smells worse than your donkey
- You can't wash off the smell of donkey

Then they tell you that "when you die, it all gets better"?? Well helloooooo... it's not like it could get much worse
