## Run 2081 – East Charters Towers – Rags

'Twas a long ride out to the start of the run, past the racecourse – I never even knew people lived past there! The run headed back toward civilisation, where we caught up with some locals smoking something that didn't smell like cigarettes. I thought *CLITUS* was in danger wearing a shirt with HASH in big letters across the back!

Rags managed to find a small hill and some shiggy across the other side of the highway (who would have thought you'd find shiggy in such a civilised place!), and before we knew it, we were back at the trailer. A good, scenic, short run!

The circle included a visit from the MONK, though one could have been excused for thinking it was a DRUNKEN MONKEY, as he proceeded to give the wrong names to a couple of Hashers. The official names (and hopefully we get the stories behind them this week): Jeremy is now known as *PLUNGE HER*, Bree is *SOFTNCREAMY*, Bev (are you sure it's not Beth? ... Ed) is *DUNKIN*, and Terri is *BULLSEYE*. *BULLSEYE* scooped the awards, as well as getting named, she also laid claim to the prestigious POW and ERECTUS. Well done *BULLSEYE*!!

The Circle was followed by pizza for nosh, and a few cold beers, thanks to the discovery of *MISS DAISY'S* ice stash in the van!

On On

*BULK BILL*

And a PS:

Well another round of drinks so it seemed. I thought surely I would escape the sculling circle but NOooooo. You bastards.

My poor sister copped the "trifecta" plus our initiation was interesting to say the least. (You could tell we don't do a lot of praying on concrete).

Thanks a lot TVH3 for welcoming us into your hash house.

ON ON.

(Sandgroper virgins no longer) *Dunkin* (me mate) & (here's spit in ya eye) *Bullseye*.

A Story from the Future:

The graveside service just barely finished, when there was tremendous bolt of lightning and a massive clap of thunder, followed by even more thunder rumbling in the distance...

*Self Abuse* looked at the pastor and calmly said, 'Well, *Pick Up's* arrived safely.'

Two Mexican detectives were investigating the murder of Juan Gonzalez.

'How was he killed?' asked one detective. 'With a golf gun,' the other detective replied. A golf gun! What is a golf gun?'

'I don't know. But it sure made a hole in Juan.'

## The Deaf Italian Bookkeeper

A Mafia Godfather finds out that his bookkeeper, Guido, has cheated him out of \$10,000,000.

Now Guido is deaf – That was the reason he got the job in the first place. It was assumed that Guido would hear nothing so he would never have to testify in court.

When the Godfather goes to confront Guido about his missing \$10 million, he takes along his lawyer who knows sign language.

The Godfather tells the lawyer, "Ask him, 'Where's the money?'"

The lawyer, using sign language, asks Guido, "Where's the money?"

Guido signs back, "I don't know what you are talking about."

The lawyer tells the Godfather, "He says he doesn't know what you're talking about."

The Godfather pulls out a pistol, puts it to Guido's temple and says, "Ask him again!"

The lawyer signs to Guido, "He'll kill you if you don't tell him."

Guido signs back, "OK!!!! You win! The money is in a brown briefcase, buried behind the shed at my cousin Bruno's house."

The Godfather asks the lawyer, "What did he say?"

The lawyer replies, "He says you don't have the balls to pull the trigger."

## Guide dog of the year

Eaton calls Virgin Australia and asks, 'Can you tell me how long it'll take to fly from Adelaide to Brisbane?'

The agent replies, 'Just a minute.'

'Thank you,' says Eaton, and hangs up.
