Run 2083 – Hicks St, Kirwan Hares : TARTAN and SWAMP

It was a peadaphile's paradise looking over the fence out at Hicksville. TARTAN and SWAMP certainly know how to pick their neighbours, who had more rides than the winter carnival at Flemington set up in their back yard. It was tempting to give the run a miss and just hop the fence. But showing true loyalty, the drooling pack headed off into the unknown for yet another sweaty adventure.

MISS DAISY made a cameo appearance and bolted before the runners returned because MOTHER DUCK didn't bring virgin HIROKO along. And COCK COCK WHO'S THERE returned from her overseas jaunt empty-handed and without STICKY CRUMPET who was out at sea being used as shark bait. There were other stragglers from all over the place who turned up hoping for free piss after MASTERBATES cleaned out the bank over the Easter break. He did come good later in the night after nearly everyone had left. BIG WETTY turned up all sweaty and proudly introduced his new friend "FUJI" to one and all. Best ride he had in years he was heard to say.

Back on trail all was sweet. It was marked out so that even a blind man couldn't get lost. There was cheery banter and chatter about easter eggs and hangovers as we ran through god knows where. BLOWBACK did his best to divert the runner's off trail, but the wily pack were just too smart and thirsty to outwit. The Rexona drink stop in the stairwell at the Willows was welcome and refreshing. Then the smell of the trailer was too enticing and it was ON HOME from there.

The tired mob trickled back to the trailer and were greeted with home-made cheese mounds and jatz crackers – what a treat. The circle was called and the usual ceremony proceeded with greetings to long-lost souls, reports on the high cost of drinking at the Tavern, and the big news of MASTERBATES win. The POW went AWOL and the ERECTUS was well-earned by BALDY BLOWBACK. There was talk of him using it as a peace offering to the Japanese emporer whilst visiting MELONSville. The raffles were drawn with last weeks tickets and with grinning winners, before the best noodle nosh was served up with accompanying ring-burner sauces. It was an Easter run to remember and, for some, one to forget. Great run, great nosh, great company, and a great night out at Hicksville.

ON ON
SERENITY

Two Hashers were sitting in a bar when DDT asked *Kung Poo* if he had heard of the new sex position called rodeo. *Kung Poo* says no, what is it? DDT says, well you mount your wife from the back, reach around and cup her breasts with both hands. Then say, "Boy, those are almost as nice as your sisters". Then see if you can hold on for 8 seconds.

Little Johnny's father asked him, "Do you know about the birds and the bees?"

"I don't want to know!" little Johnny said, bursting into tears.

Confused, the father asked little Johnny what was wrong.

"Oh dad," Little Johnny sobbed, "At age six I got the 'there's no Santa' speech.

At age seven I got the 'there's no Easter bunny' speech.

Then at age 8 you hit me with the 'there's no tooth fairy' speech!

If you're going to tell me now that grown-ups don't really fuck, I've got nothing left to live for!"

Batesy was walking down the street and this hooker says, "Say, wanna have a good time?" "Sure," *Batesy* says and they were off to the nearest motel. She takes off her clothes but *Batesy* just keeps staring at her. She says, "Is this the first pussy you seen since you crawled out of one?" *Batesy* replies, "Nope, just the first one I've seen big enough to crawl back into."
