## Run 2085 – Seventh St Ave, Sth Townsville Hares: *BLOTTO and WET SPOT*

Wetblots House South Townsville,

Running late, Pussy and I rode in to Seventh Avenue only to be told by Master Bates that the run was on Seventh Street. After turning round finding there was two Seventh Streets and quickly checking them all, we ended up lost. So at 18:15 we stopped at the Victoria Park only to bump in to Master Bates who admitted it was some type of physicist joke.... Apparently the runners told me they ran along paths and through the parks and it was an all right type of run. The pub mob is out to about 12 people now so they are thriving.

Back at Wetblots house we were greeted with M&Ms Twisties and various tasties. Circle was short and sweet poor Poo was given the POTW for getting lost? No Erectus hope it doesn't stay in Japan. No virgins (whatever Pink Bits says) Serenity won the free drinks he's probably still there. Tartan announced it was Swamps 70th soon and they were having drinks somewhere soonish and everyone was invited. I'm a bit vague about the details but contact Master Bates for some directions. Onion

### Kung Poo & Pussy Lane

---

Yesterday I had a flat tire on the highway, so I eased my car over to the shoulder of the road, carefully got out of the car and opened the trunk. I took out two cardboard men, unfolded them and stood them at the rear of my car facing oncoming traffic. They look so life-like you wouldn't believe it! They are in trench coats, exposing their nude bodies and private parts to the approaching drivers. I started to change my tire, and to my surprise, cars started slowing down looking at my life-like men. And of course, traffic started backing up. Everybody was tooting their horns and waving like crazy. It wasn't long before a copper pulled up behind me. He got out of his car and started walking towards me. I could tell he was not a happy camper! "What's going on here?" "My car has a flat tire," I said calmly. "Well, what the hell are those obscene cardboard men doing here by the road?" I told him, "Hello-o-o-o, those are my emergency flashers."

There is this guy who has a 25 inch dick. He goes to a witch in the woods and asks her if she can make his dick smaller because he just can't please the ladies because it is just too big, he hasn't found a lady yet who likes it and he can't get any pleasure.

She tells him to go into the woods and he will find a frog when he finds the frog he is to ask it to marry him. If the frog says no, his cock will shrink 5 inches. He goes into the woods and finds this frog. He asks "frog, will you marry me?"

The frog says "no" And his prick shrinks five inches. The guys thinks to himself, "Wow, that was pretty cool. But, it's still too big." So he goes back to the frog and again asks the frog: "Frog, will you marry me?"

Frog: "No, I won't marry you."

The guys dick shrinks another five inches. But that's still 15 inches and he thinks his chop is still just a little bit too big. But he thinks that 10 inches would be just great. He goes back to the frog and asks: "Frog, will you marry me?"

Frog: How many times do I have to tell you NO, NO, NO!!!
