Run 2091. Organ Memorial Run
Hares: Barefoot Betty, Bentabeak, Hot-4-Male & Blowback. 14 Kitchener Rd, Pimlico

The night kicked off at *Barefoot Betty* and *BND*'s house. *Benta* was doing the rounds showing his favourite photo of him with his mate *Organ*. I guess this photo meant a lot to *Benta* due to *Organ* having his hand down *Benta*'s pants. (true friends) *Betty* and *Benta* then called the pack together to send us off informing us that the trail was set in honour of *Organ* so expect to run through shit.

On the run we had expected the pack to be small due to most of the runners being in Bali. (not sure of exactly how many went over but I think 9). However, the pack was large so I guess only the piss heads who don't run went over. During the run half of the runners pussied out and would not run through the drains or mud. We finally made it back home, some of us clean and others covered in shit from the run.

The circle was called and first to receive down downs were *Betty*, *Hotfa*, *Benta* and *Blowback*. The erectus was passed on to *Tyson* and *Prick* of the week to *Wet Spot*. To my disgust *Wet Spot* decided to be a girl and call in *BND* to take her down, down (shame, shame, shame). As usual *Booger* got his weekly down down for no reason other than being *Booger*.

Benta and *Cowboy* entertained the pack by making noises with their mouth organs. *Benta* got a bit too excited during his solo and lost his organ while spraying every one with spit. (Most did not complain about the shower). After the circle, the acting GM called free piss! (This made *Booger* very happy). The free piss went down followed by a great nosh done by *Blowby*, *Hotfa* & *Betty*. (Guessing there would have been a lot of Flatulence that night).

Due to my restriction of driving home (thanks *Orgasm*) I left early but I can only imagine with free alcohol, the piss heads (*MasterBates* and *Blowback*) would have kept *Betty* and *BND* up all night.

On On, Shocker

A recent scientific study found that women find different male faces attractive depending on where they are in their menstrual cycle.

For example, when a woman is ovulating she will prefer a man with rugged, masculine features.

In addition, when she is menstruating, she prefers a man doused in petrol and set on fire, with scissors stuck in his eye and a cricket stump shoved up his arse!!!!

Shave & a Shoeshine.

Azaria sat in the barber's chair and said, "I'll have a shave and a shoe shine..."

The barber began to lather his face, while a woman with the biggest, firmest, most beautiful breasts that *Azaria* had ever seen knelt down and began to shine his shoes.

Azaria said, "Young lady, you and I should go and spend some time in a hotel room."

She replied, "I'm married and my husband wouldn't like that."

"Tell him you're working overtime and I'll pay you the difference."

She said, "You tell him; you're closer."

EFFECTIVE SUICIDE COUNSELLING!

A desperate looking woman stood poised on the edge of a high cliff about to jump off.

A filthy tramp wandering by stopped and said, "Look, since you'll be dead in a few minutes, and it won't matter to you, how about a shag before you go?"

She screamed, "NO! Bugger off you filthy old bastard!"

He shrugged and turned away saying, "Okay, I'll just go and wait at the bottom then."

She didn't jump ...
