**Run 2093. Water St, Mundingburra
Hares: Ewok, Rags, Copit & Blowback**

Well it was a "Brisk" night for the start of run #2093 starting at EWOK's ranch in Water St.

There was a good turn up of the usual cattle and also some old stock that have been grazing around the countryside.

The run started right on time and the runners set off around the highways and byways of Mundingburra. ~~RAGS~~, and BLOWBACK set the run and was said to be 4.9k but seemed a little shy of that with lengths of 4.26 being murmured around the circle post analysis (by the short-cutting pooftas ...ed.)

The walkers went the other way at the start so I don't have a F@#k%en clue where they shuffled along to. The CIRCLE was called and many, many down downs (2X2) were given.

Splendid to see the return of BJ and RAMMY, KNOW KNOB, DDT and others that I can't ..member.

Maybe the blow-in's are starting to gather for the Celebration run coming up.

BLOWBACKKCABWOLB received his award for 1650 runs..shuffles, well done fella.

BJ managed to break the toilet AGAIN after a 2 year break.

Raffles were "won" (arranged) by Wart and others I ..forgot.

Nosh was Magnificent (thanks to Rags & Copit ... ed), just the thing on a cold winters night to warm the belly, sitting around the campfire, talking bs on a monday night.

A good night had by all, giddy up.

On On , Cowboy.

POLISH DIVORCE

A Polish man moved to Australia and married an Aussie girl. Although his English was far from perfect, they got along very well until one day he rushed into a lawyer's office and asked him if he could arrange a divorce for him.

The lawyer said that getting a divorce would depend on the circumstances, and asked him the following questions:

L: Have you any grounds?

P: Yes, an acre and half and nice little home.

L: No, I mean what is the foundation of this case?

P: It made of concrete.

L: I don't think you understand. Does either of you have a real grudge?

P: No, we have carport, and not need one.

L: I mean. What are your relations like?

P: All my relations still in Poland.

L: Is there any infidelity in your marriage?

P: We have hi-fidelity stereo and good DVD player.

L: Does your wife beat you up?

P: No, I always up before her.

L: Is your wife a nagger?

P: No, she white.

L: Why do you want this divorce?

P: She going to kill me.

L: What makes you think that?

P: I got proof.

L: What kind of proof?

P: She going to poison me. She buy a bottle at chemist and put on shelf in bathroom. I can read, and it say: "Polish Remover".

A Professor was giving a lecture on "Involuntary Muscular contractions" to his first-year medical students. Realizing that this was not the most riveting subject, he decided to lighten the mood slightly. He pointed to a young lady in the front row and said, "Do you know what your arsehole is doing while you're having an orgasm?" She replied, "Probably out fishing with his mates!!!"
