HAIRS: BLACK & DARKER, BETTY BAREFORK
34 Masuda St, Annandale

Pharrk! Woke up Tuesday morning surprised; not because I woke up, but that I had forgotten I was scribe for the run last night.

And my Teflon brain has left me with zilch memory of the events of the previous night.
So this report will be short and sour.

The night started with a stampede of Hashers ready to audition for Channel. NINE WIN, No WIN, no NINE (farrk whatever) new series of "THE BLOCK"; 34 Masuda street, the next renovation Block Buster to hit the air.

However the pack was left disappointed as NINE had already chosen 2 contestants who diligently commenced vandalism at the hovel weeks earlier. So Farrrrk!!! What do we do now? OK! Let's have a run or a walk – ON ON.

Circle Up was called by our Grand Posturepedic. Customary drinks for the above Hares *B&D-BBF POW > HEMROID > BLACK & DECKER. ERECTUS > HEMROID > BLACK & DECKER. 2 FOR 1 EASY PEASY.*

RUNNERS REPORT: *ORGASIM*. HER COMMENT: Nice run thru the valley of millionaires. Geezus she must be from Hughenden,

WALKERS REPORT *SCRUBBER*
HER COMMENT Definitely an SAS RUN, sweaty arse syndrome.

PUB REPORT NO CONTESTANTS Pub further away than any of *B&D'S* longest runs
TRAILER REPORT *POKEHER*

HER BOASTING COMMENT Cheap \$2 drinks while the Pack and GM were on the run.

Only charge I can recall was *DAMMIT* getting a Down Down for giving the PRICK OF THE WEEK
A dose of Penicillin.

Don't remember who won the RAFFLE. Wasn't Me, So I don't give a ratz

GOOD NIGHT , GOOD NOSH , GOOD COMPANY. KEEPS US COMING BACK.
ON ON *SLASH.*

Judy married Ted; they had thirteen healthy children. Sadly Ted died.

She married again, and she & Bob had seven more lovely children. Bob was tragically killed in a terrible car accident, twelve years later.

Judy remarried a third time, and this time, she & John had five more fine children.

Judy finally died, after having twenty-five wonderful children. Standing before her coffin, the preacher prayed for her. He thanked the Lord for this very loving woman and said, "Lord, they are finally together."

Ethel leaned over and quietly asked her best friend, Margaret: "Do you think he means her first, second, or third husband?"

She replied: "Nope. I think he means her legs!"

A drunk man who smelled like beer sat down on a bus next to a priest. The man's tie was stained, his face was plastered with red lipstick, and a half-empty bottle of gin was sticking out of his torn coat pocket. He opened his newspaper and began reading.

After a few minutes the man turned to the priest and asked, 'Say Father, what causes arthritis?'

The priest replies, 'My Son, it's caused by loose living, being with cheap wicked women, too much alcohol, contempt for your fellow man, sleeping around with prostitutes and lack of a bath!'

The drunk muttered in response, 'Well, I'll be damned.' Then returned to his paper.

The priest, thinking about what he had said, nudged the man and apologized. 'I'm very sorry. I didn't mean to come on so strong. How long have you had arthritis?'

The drunk answered, 'I don't have it, Father. I was just reading here that the Pope does.'

Critical thinking at its Best!

Woman: Do you drink beer? – Man: Yes.

How many beers a day? – Usually about 3.

How much do you pay per beer? – About \$5.00.

And how long have you been drinking? – About 20 years, I suppose.

So a beer costs \$5.00 and you have 3 beers a day which puts your spending each month at \$450.00. In one year, it would be approximately \$5400.00 correct? – Correct.

If in 1 year you spend \$5400.00, not accounting for inflation, the past 20 years puts your spending at \$108,000.00 correct? – Correct

Do you know that if you didn't drink so much beer, that money could have been put in a savings investment account for the past 20 years, and you could have now bought a Ferrari?

Man: Do you drink beer? – Woman: No.

Where's your Ferrari?
