 Check website ([www.tvh3.net](http://www.tvh3.net)) for more info.

Paddy spies a letter lying on his doormat. It says on the envelope "DO NOT BEND " ... He spends the next 2 hours trying to figure out how to pick it up.

**Run 2107 Booga & Tool Squeezer 174 Fulham Rd**

As the sun slowly set and the planets aligned so too did the gathering of the Brotherhood of the Black Foot begin again this time in the tiny hamlet of Vincent.

At around 6pm BOOGER jumped to the back of the trailer and told all to piss off and do our things, so off the runners went through the streets and back streets. Good size pack but always plenty room for more. BOOGER had set a challenging trail and the heavy rains may have washed some of the trail away, as the checks appeared and disappeared so too did the running pack lose a couple of members along the way. Eventually we made the drink stop where a clever mix of alcohol was presented for our enjoyment. Once refreshed the pack set quickly off for home and cold beers.

Once back home there was a traditional smoking ceremony to welcome all the hashers to BOOGER'S campsite and then many lies were spun about the exploits of the run and or walk with a cold ale in hand. CAT BLEW donned the GM's Cap and got the circle on the way.

Due to the new hygiene rules with down down cups under the control of the JM it only seemed fair that he should get the Erectus after my short time with it. I realized the contents of this vessel contained several hidden mysteries which should have been killed off long ago.

As for the POW I had full intentions of passing to KNOW KNOB but he was a no show I had to find a new candidate, even though there were several hashers who always deserve the POW present, it could only go to one person him being KUNG POO. I did spend a bit of time cleaning the Erectus but the shine must have blinded KUNG POO because he took great pleasure in asking was this the only knob I polished and so forth, totally missing the fact I was wearing the POW SHIRT.

Nosh was served and the hoards did eat, nosh had a Mexican flavour with meats and SALAD, BOOGER must be out to poison Hashers with salads and the like.

Top Feed. Top Night. TOOL SQUEEZER & BOOGER.

As the trailer began to empty so too did the pack begin to dissolve, till next week.

ON ON Black N Decker

Paddy shouts frantically into the phone "My wife is pregnant and her contractions are only two minutes apart!"

"Is this her first child?" asks the Doctor.

"No", shouts Paddy, "this is her husband!"

An old Irish farmer's dog goes missing and he's inconsolable.

His wife says "Why don't you put an advert in the paper?"

He does, but two weeks later the dog is still missing.

"What did you put in the paper?" his wife asks.

"Here boy" he replies.

Paddy's in jail. A guard looks in his cell and sees him hanging by his feet. "What on earth you doing?" he asks.

"Hanging myself" Paddy replies.

"It should be around your neck" says the Guard.

"I know" says Paddy "but I couldn't breathe".

An American tourist asks an Irishman: "Why do Scuba divers always fall backwards off their boats?"

He replies: "They have to go backwards. If they fell forwards, they'd still be in the boat."

Paddy rings his new girlfriend's door bell, holding a big bunch of flowers. She opens the door, sees the flowers, and drags him in. She lies back on the couch, pulls her skirt up, rips her knickers off and says 'This is for the flowers!'

'Don't be silly,' says Paddy, 'You must have a vase somewhere!'

As we get older we sometimes begin to doubt our ability to "make a difference" in the world. It is at these times that our hopes are boosted by the remarkable achievements of other "seniors" who have found the courage to take on challenges that would make many of us wither.

Harold Schlumberg is such a person:

Harold says: "I've often been asked, 'What do you do now that you're retired?'"

"Well – I'm fortunate to have a chemical engineering background and one of the things I enjoy most is converting beer, wine and whiskey into urine. It's rewarding, uplifting, satisfying and fulfilling. I do it every day and I really enjoy it."

**He is an inspiration to us all.**
