**Run report: 2110. Cods & Dammi**  
2 Daniel St, Vincent

Again, no report submitted – this time by “*Craisie*”. Looks like we’ll have to put the GM on ice for not doing the job of nominating substitute *Quills* when the real ones don’t turn up. At least this time ...*ed* was there so we have a report (of sorts).

Runners headed off at pace towards Dalrymple Rd, while the plodders commenced their shorter run down Lillipilli. Walkers made a bee-line for the PS at the kindy on the corner of Charles and Fulham (but which one?) Walkers got there first, followed by the plodders with the runners about five minutes, Ron. From the PS the plodders short-cutted a “full Mooney” to the runners, who headed off towards Hugh and Palmerston to finish off their about 8 k jog.

Back at the bucket the piss and nibblies were freely flowing as the three packs conglomerated in anticipation of some words of wisdom from the GM. (Hmmmmm???) Two serious misdemeanours were rewarded with PoW and Erectus. The PoW being awarded to *Ewok* for plying *Kung Poo* with cheap wine who then tried to take a short cut across the river without using Nathan Bridge. The Erectus passed on from *Agnes* to *Sudden Insane* who had the previous weekend attempted a backward reverse somersault with 1½ twists, degree of difficulty 7.3, from the back door of his car at 3.45 am at Toomulla Beach. The judges awarded a total of 0.2 while *Notso*’s ribs took three days to recover from the laughing fit.

Extra charges from the floor, a cupla raffles and some pretty fair nosh were then dispensed before the late stayers decided that the night was declared OK for a few extra drinks. (I must confess, I can’t remember a night that hasn’t been so declared for several decades!) When *Cods* started to fall over backwards in his chair, we were all moved on in various directions, most taking at least a small detour on the way home to have at least one cleansing ale. (Though rumour has it neither *Kung Poo* nor *Suds* joined any such impromptu gatherings.)

On on, ...*ed*

A man bumps into a woman in a hotel lobby and as he does, his elbow goes into her breast.

They are both quite startled.

The man turns to her and says, "Ma'am, if your heart is as soft as your breast, I know you'll forgive me." She replies, "If your penis is as hard as your elbow, I'm in room 221."

One night, as a couple lays down for bed, the husband starts rubbing his wife's arm.

The wife turns over and says "I'm sorry honey, I've got a gynaecologist appointment tomorrow and I want to stay fresh."

The husband, rejected, turns over.

A few minutes later, he rolls back over and taps his wife again.

"Do you have a dentist appointment tomorrow too?"

Bill worked in a pickle factory. He had been employed there for a number of years when he came home one day to confess to his wife that he had a terrible compulsion. He had an urge to stick his penis into the pickle slicer.

His wife suggested that he should see a sex therapist to talk about it, but Bill said he would be too embarrassed. He vowed to overcome the compulsion on his own.

One day a few weeks later, Bill came home and his wife could see at once that something was seriously wrong. "What's wrong, Bill?" she asked.

"Do you remember that I told you how I had this tremendous urge to put my penis into the pickle slicer?"

"Oh, Bill, you didn't" she exclaimed.

"Yes, I did." he replied.

"My God, Bill, what happened?"

"I got fired."

"No, Bill. I mean, what happened with the pickle slicer?"

"Oh...she got fired too."

A couple had been married for 50 years. They were sitting at the breakfast table one morning when the wife says, "Just think, fifty years ago we were sitting here at this breakfast table together."

"I know," the old man said. "We were probably sitting here naked as a jaybird fifty years ago."

"Well," Granny snickered.

"Let's relive some old times."

Whereupon, the two stripped to the buff and sat down at the table.

"You know, honey," the little old lady breathlessly replied, "My nipples are as hot for you today as they were fifty years ago."

"I wouldn't be surprised," replied Gramps. "One's in your coffee and the other is in your oatmeal."

**QUOTE OF THE YEAR:**

"And then God created the orgasm so that women can moan even when they are happy."
