**Run report: 2126 – Laburnum St, Cranbrook
2016/17 Committee**

The night began at *Cat Blew's* house (to kicked off GM duties) as expected the crowd was rather large. Most went off on the run, walk or short cutting bastards. The first drink stop was at *Ewoks* work place were the old bastards of the group reminisce about the time the AGPU was held there. Then on on to *Scruba's* place for more beer. Finally everyone finished of back at *Cat Blew's* were we all took advantage of the free piss. Some more than others. (Pussy Lane took free piss to a new meaning by literally getting pissed on by the dog).

Finally the moment everyone had been waiting for came when the GM called her last circle. Well everyone but *Grizzly* watched, which earned him the Short-Cutting Bastard award. Commando decided she had nothing better to do then sit on ice for most of the circle and was accompanied by Hercules for most of it. *Poker* was the proud winner of the most useless prick of the year and I was the fortunate winner of the Prick of the Year shirt and took place in what could only be described as a bad wet T shirt contest. The GM had one last joke up her sleeve when she handed the JM the large mug award and asked him to fill it to the brim. Little did the unsuspecting fool know it was for him. It was reported later in the night that the mug held one and a half beer cans. The new committee was then introduced followed by the big moment when *Booger* replaced *Cat Blew* as the new GM. I guess now we know how the US felt when Donald Trump was elected president. We finished the circle by sending off the old committee with a down down and went straight in to nosh. (Pizza! Can't beat it!)

Rest of the night carried on with a lot of laughs and talking shit. (*Kung Pu*) Those who did not want to get wet sought refuge under the shed while the others decided skinny dipping next door was the way to go. We could not have asked for a better night. And a big congratulations to *Booger* the new GM.

On on to next week
Shocker and Orgasm

A man and his wife were sitting in the living room and he said to her, "Just so you know, I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that ever happens, just pull the plug."

His wife got up, unplugged the TV and threw out all of his beer.

An elderly hash house harrier and his harriet wife, were in a their car one day.

She was driving when they got pulled over by the police.

"Excuse me madam," said the police officer, "did you know you were speeding?"

The harriet, being hard of hearing, asked the harrier, "what did he say?"

"HE-SAYS-YOU-WERE-SPEEDING".

"May I see your driving licence?" asked the officer.

The harriet asked the harrier, "what did he say?"

"HE-WANTS-TO-SEE-YOUR-LICENCE"

The harriet gave the officer her licence.

After examining it, the policeman said, "I see you're from Cairns. I spent some time there once and went on a blind date with the ugliest woman I've ever seen".

The harriet asked the harrier, "what did he say?"

"HE-THINKS-HE-KNOWS-YOU".

An elderly hash house harrier goes into a brothel and tells the madam he would like a young girl for the night.

Surprised, she looks at the ancient man and asks how old he is.

'I'm 85 years old,' says the harrier.

'85!' replies the woman. 'Don't you realize you've had it?'

'Oh, sorry,' says the harrier. 'How much do I owe you?'
