RUN REPORT #2129

Run report 2129 Booga's joint

The pack gathered at **Booga's** abode on Fulham under threat of rain, what is it with rain and Booga's place, anyway, pack was sent off, runners, walkers and some stayed to guard the trailer, important job that. Pack returned to **Gash's** chilli laced delicacy and other snacks. Circle was called with the usual reports and charges, runners happy with run, that's unusual, anyhow, **Cat Blew** gave the POW to **Just Kidding** and **Chris** gave the erectus to **Booga** and I remember it being a funny charge. Other charges were dealt out, raffle was drawn and somebody else won the rum for a change, nosh was yummy spag bol and a birthday cake for **Benta** and **Booga** was produced as the rain started to tumble down, was suggested they be twins, their poor mother lol, a great night of Townsville Hash as usual, we all rode of happy and wet, inside and out

One day, Pully came home and was greeted by Falcon dressed in a very Sexy nightie. 'Tie me up,' she purred, 'and you can do anything

you want.'

So he tied her up and went golfing.

Hash Him:

How much beer has he been drinking?

Tune: Ode to Joy (Beethoven)

How much beer has he been drinking? he is looking really shot.

As we stand here, aren't we thinking, do we really give a fok?

Who's this wanker, so unseemly, that his wife would surely frown?

Grab your beer and hold it tightly, drink it, drink it down down down

Down Down Down Down Down Down Down
Down Down Down etc...

(Based on song in Zurich Hash Song book)

The importance of accuracy in your tax return:
The ATO has returned the Tax Return to a man in Townsville after the following response to the question, "Do you have anyone dependent on you?"

The man wrote: "2.1 million illegal immigrants, 1.1 million crackheads, 4.4 million unemployable scroungers, 80,000 criminals in over 85 prisons plus 450 idiots in Parliament, thousands of 'retired politicians' and an entire group that call themselves 'Senators.'

The ATO stated that the response he gave was "Unacceptable".

The man's response back to ATO was, "Who did I leave out?"

Shocker has been missing a week now. Police said to prepare for the worst. So Orgasm has been down to the charity shop to get all his clothes back.
