RUN REPORT #2131

NB: Both the Ed and Ass.ed left early for Nash Hash (those bastards left me behind)

The emergency editor took an injury during the week and didn't actually go on the run, and there wasn't a run report during circle, so I have no fucking clue what happened. I do know that those who stayed behind at the trailer got a sneak peek at the new trailer.

His Holiness the Monk- who seems to have recently discovered the Fountain of Youth-graced us with his venerated presence, and we welcomed **STREAKA** to the pack. You'll all be delighted to know that His Holiness still hasn't learned to spell. We had two visitors from Mother England, who were gifted stubby coolers from our illustrious GM. Not sure they'll get much use in a country that serves warm beer. In return, they gifted us with a song because we don't fucking know any.

Nosh was delicious, as it always is at the Ewok/Clever Punt household. Shame on everyone who thought the tomato was an apple.

On on till next week,
Soft n Creamy

Hash Prayer (credit: Oslo Hash)

Repeat after the Leader/Monk

Coppus no catch us,
Farmer no shoot us,
Doggus no bite us,
Heatus no stroke us,
Frostus no freezus
Tickus no suck us
Rapist no fuck us
beerus to drinkus,
Coitus non interruptus.

Amen

Helium walks into a bar and asks for a drink. The bartender says, "Sorry, we don't serve noble gases here." Helium doesn't react.

-
Q: What did the cannibal do after dumping his girlfriend?

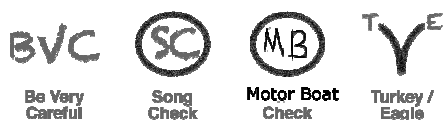

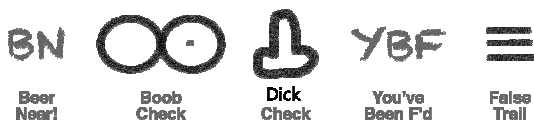

A: He wiped his bum.

-
A man is being arrested by a female police officer, who informs him, "Anything you say can and will be held against you." The man replies, "Tits!"

-
You know you're getting old when your wife says, "Honey, lets run upstairs and make love," and you answer, "I can't do both."
