**DATE CLAIMER – 30/06 – 02/07 TOWNSVILLE HASH CELEBRATION RUN – 2150.**

**Run 2140 – Serenity & Dunkin**

Well the flock gathered at Bicentennial Park for run 2140 and a large crew it was. This park seems to attract a big Hash gathering.

The run was well set by **SERENITY**, someone who uses a laser level as it was dead straight and long. The drink stop provided by **DUNKIN**, was RUM with a bit of ICE, (the troops would have been proud). After a bit of coaching the **HASH HORN** was noted to be much louder and clearer running past the RSL, (proud of you **GROPER**).

The walkers went in some direction but only they would know.

The circle followed the usual nibbles and down downs were awarded to the usual recipients.

Being partly ANZAC in the theme there were some awards to past and present defence people.

The Erectus went to **GODIVA** and POW went to **SWAMP**.

NOSH of PIZZA went down like seagulls on a stray chip.

Another good night had by all,

On. On and Giddy-up...

**Cowboy.**

**PLEASE NOTE:-**

*In February 2017 the TVH3 committee voted to only count runs in the official run count which were attended at Townsville Hash. In April 2017 the committee revisited this decision and agreed that away runs (e.g.-Nash Hash, Inter-hash, celebration runs of other clubs, regular Monday night runs of other clubs) attended by Townsville hashers would be eligible to be counted in the official run count. If you have any away runs from 17 January 2017 to date which you would like included in your run count please see hash cash on a Monday night.*

The two clubmen were talking. 'So you had a hard time explaining the cricket game to your wife, eh?' 'I certainly did. She found out I wasn't there.'

**Q: What do you call a blonde in a tree with a brief case? A: Branch Manager.**

Q1: How can you tell if a blonde's been using the computer? A: There's white-out on the screen.

Q2: How can you tell if another blonde's been using the computer? A: There's writing on the white-out.

**One night, this guy come into a bar and asks the bartender for a drink. Then he asks for another. This goes on for a half an hour and the bartender gets worried. "What's the matter?" the bartender asks. "My wife and I got into a fight," explained the guy "and now she isn't talking to me for a whole 31 days." After thinking it over in a reassuring tone, the bartender asked. "But, isn't it a good thing that she**

**isn't talking to you?". "Yeah, except today is the last night."**

Chuck Norris knows Victoria's secret.

**If Chuck Norris was a Spartan in the movie 300, the movie would be called 1.**

Chuck Norris CAN understand women.

**The most dangerous form of transportation is Chuck Norris' roundhouse kick, it is also the fastest.**

Chuck Norris doesn't like bugs. That's why the Beatles stopped making music.

**Knock - Knock. Who's there? Butch, Jimmy and Joe. Butch, Jimmy, and Joe Who? Butch your arms around me, Jimmy a kiss, and let's Joe.**

Why did Moses spend 40 years in the desert? He refused to ask for directions.

**Any Harriette who thinks that the way to a harrier's heart is through his stomach is aiming too high.**

What's the difference between a clitoris and a pub? Most hash-men can find a pub in under 4 minutes.
