RUN 2142 REPORT

Another successful TVH3 run convened at Bare Foot Betty and Black N Decker’s place. I’m not full bottle on the run as I haven’t run for some time now, but listening to the runners it was a well set trail of some 8 km. Full of waterfalls, narrow ridges, cliff faces, loose gravel, some bitumen, shiggy of sorts and chonky apples.

All survived the run and even made it to the drink stop perched on the edge of Gill Park.

The walkers did cover quite a distance too, guessing 4.918273645 km. They also had a more interesting time at the drink stop when a car came around the corner and collided with a dog. Last seen the dog bolted, the owner chased after it and the driver of the vehicle in question abandoned the car and took chase. It’s the old story, “Who let the dog out, who, who, who”.

A couple of seasoned Hashers ambled down to the Centenary Hotel and paid 6 bucks a schooner. Should’ve stayed at the trailer, as the prices are Down, Down and staying Down. Down, Down.

Yep and as sure as your ass points to the ground the trailer watchers remained at the On-On to drink and protect the trailer and its produce from the locals hanging around Castletown. Well done people, someone had to do it.

Circle was conducted by his royal lowliness who kept the pack in line and handed out many Down Downs. There was one virgin, “Dave”. Will he be back, that is the question that is asked many times and sometimes we get lucky and recruit more Hashers. No POW or Erectus this week. There were a couple of slow drinkers though that pissed the GM off and the GM was given a gift drink from somewhere out of, away from and definitely not Townsville. Raffles were also run and won.

Nosh consisted of Betty’s F&%\$(g Hot pies for starters with a choice of 3 Sauces and then 3 curries with rice. One was hot with heat from the cooking appliance only and then it got hotter with B&D’s

home grown chillies and then the third dish, it was so hot that you had to be careful the next day when ya went to the loo, as there was a danger of the toilet paper catching on fire. Good on ya guys, you never let us down.

Another good night of hashing,
On-On, Captain.

Fishing jokes: -

Three fishermen were fishing when they came upon a mermaid, the mermaid offered them one wish each so the first fisherman said: "Double my IQ" so the mermaid did it and to his surprise he started reciting Shakespeare. Then the second fisherman said: "Triple my IQ" and sure enough the mermaid did it and amazingly he started doing math problems he didn't know existed. The third fisherman was so impressed he asked the mermaid to quadruple his IQ. The mermaid said "Are you sure about this? It will change your whole life!" the fisherman excitedly said "Yes" so the mermaid turned him into a woman...

A small-town Doctor was famous in the area for always catching large fish. One day, while he was on one of his frequent fishing trips, he got a call that a woman at a neighbouring farm was giving birth. He rushed to her aid and delivered a healthy baby boy. The farmer had nothing to weigh the baby with so the Doctor used his fishing scales. The baby weighed 21 lbs 13 oz.
