### RUN 2143REPORT

As the sun slowly set and the planets aligned so too did the gathering of the Brotherhood of the Black Foot begin again this time in the tiny hamlet of Douglas.

At around 6pm SUDDEN INSANE jumped to the back of the trailer and told all to piss off and do our things, so off the runners went through the streets and back streets, Good size pack but always plenty room for more. SUDDEN INSANE had set a challenging trail and into areas that I didn't know if SUDDEN INSANE even knew existed maybe he had some help from a little round elf. Eventually after we had made our ways into all the streets of Aitkenvale and we started to look for home. Then like a pack of wild horses we could scent the cold beers at the trailer bringing drank so we were off to get home at break neck speed and stop the walkers from drinking too much.

Once back home we were greeted by the trailer and a warm welcome to SUDDEN INSANE & NOTSO's humble campsite and then many lies were spun about the exploits of the run and or walk with a cold ale in hand. BOOGER donned the GMs Cap and got the circle on the way.

We got a shorten run report from EWOK due to him pulling some old injury, CAPTAIN brief us on the walk and his love of bitumen. REKY maintained a visual on the trailer and HOTFA talked a mooning someone or thing (maybe I do need a hearing test). Nice to see a couple of old faces back DOUGMEAT, SUZIE WONG. The GM then dragged all the Mothers out to have a drink, my eyesight must also be fading because there was several Motherf%\$kers who didn't go out for a drink. As for the POW, BLOW JOB passed this to EWOK for fanning an injury just to try and get a lift home. The Erectus had reappeared minus a carrier so the GM passed it down to Emila who somehow threw it to SUZIE WONG. We then raffled up and a number of winners were presented to the pack.

Nosh was served and the hoards did eat, nosh had a Mexican flavour, SUDDEN INSANE & NOTSO must have taken sympathy on the pack after someone trying to burn the pack from the inside out the week prior.

Top Feed. Top Night. SUDDEN INSANE & NOTSO As the trailer began to empty so too did the pack begin to dissolve, till next week

**Confucius say --- Man who goes to bed with itchy bum wake up with smelly finger.**

**NOTE – A donation of \$130 was collected from the 'peddlers ride' to go towards 'COCKLESS' – Banish the Black Dog ride. I suspect that an amount was also collected from the 'full moon' run.**

A harrier walked into the chemist shop.  
"I'd like to buy some deodorant, please".  
"Aerosol?"  
"No, under-arm".

**Why is it called Rap music?**

**Because the "C" fell off the printer.**

What does the starship 'Enterprise' have in common with toilet paper? Both circle Uranus looking for Klingons.

**If the answer is – "Infatuation, prick".**

**What is the question – "How do you want your Dim Sims cooked".**

"There's something wrong with my aviaries," she complained. "You mean, your ovaries", said the gynaecologist. "No", she insisted, "It's my aviaries." "Okay, have it your way. Take off your clothes, lie on the table and put your feet up here." "You're right", he said. "It is your aviaries. There's been a cockatoo in there."

**Why do women rub their eyes when they wake up?**

**Because they don't have balls to scratch.**
