## Run - 2145 – Organ’s Memorial Run Hares: Bentabeak & Coyote Ugly

In **Mr Bean’s** absence (must be working on that mini), I was nominated as scribe at the last minute, so forgive the lack of details, it was hard to take notes while dealing down downs and have the memory of a fish. Anyway, here it goes:

The pack descended upon **El Dringo’s** castle like gulls to spilt chips. After suitable time to mingle and hydrate **Bentabeak** called order and sent the runners and walkers on their way while an able crew kept watch on trailer.

Headed out the gate and starboard-side the runners and walkers followed a well-set and remarkably well-lit trail featuring checks, shiggy and one of the more low-key drink stops I’ve seen, along the way.

On their return, runners and walkers were met with nibbles and a beckoning trailer before the GM called the circle with yours truly as acting JM. POW was donated to **Kung Poo** for his support to the cause. In a total absence of virgins **Lee** passed on the Erectus to virgin runner **Damit** before embarking on his lap around Australia (On-on and safe travels!).

Various down downs were sent off and down downed, raffles were raffled and won, visitors visited and were welcomed back. After several attempts to quell an overly vocal **Cat Blew**, the GM rewarded her persistence with the S.T.F.U. pipe and a seat on the ice. The evening was not complete without the traditional performance from **Bentabeak & Cowboy** and their (mouth) organs.

In closing the circle, the GM announced the siren’s call to lead any hasher astray: Free piss!

Nosh was a tasty curry concoction with the assistance of the good **Captain** himself.

Having to leave early, I can only assume good times were had by all, before coo-coo-cachoo the pack dispersed into the big ol’ blue.

On-on,  
Groper.
