24-27 May 2018 – InterHash Fiji (Nadi)

14–16 Sep 2018 – Mother-Hash Kuala Lumpur 80<sup>th</sup> anniversary celebration.

## Run Report – 2147

*No report received at time of writing.*

*Editor's privilege to write what he wants even if its all crap.*

The pack gathered at the 'purple palace' of reknowned hashers of **Cop-it** and **Blow Back**. Some crap was said about where the runners were to head off too and so were the walkers.. After a jolly run and walk, the pack meandered their way back to 'purple palace' where smoko was held and with the amber fluid flowing. The circle was called with the trailer (which was possibly too wide to enter the yard) on the outside of the yard and the pack was inside the yard. Down-downs were given and happily received by the recipients (crap says Ed). **Shocker** admitted that he had to wash his cloths twice as he had forgotten that he had already washed them. He also received a cooling drink for being a media tart. Raffle tickets were sold and as usual the raffellers (**Cop-It and Not-So**) sold the winning tickets. Who won, who cares, it wasn't **Swamp**, for he and **Tart-Ann** were in Bris-vages having a romantic week-end. Nosh was supplied and eaten, more piss was drunk, hashers went home and some stayed and possibly enjoying the amber ale called **Blow Back Bitter**.

On-on

**Swamp** (Ed's rambling)

A worldwide survey was conducted by the UN. The only question asked was: "Would you please give your honest opinion about solutions to the food shortage in the rest of the world?" The survey was a huge failure. In Africa, they didn't know what "food" meant. In Eastern Europe, they didn't know what "honest" meant. In Western Europe, they didn't know what "shortage" meant. In China, they didn't know what "opinion" meant. In the Middle East, they didn't know what "solution" meant. In South America, they didn't know what "please" meant. And in the USA, they didn't know what "the rest of the world" meant.

What did the cannibal do after he dumped his girlfriend? He wiped his arse.

How did the shepard find his sheep in the tall grass? Very satisfying.

What's the worst thing when your teacher is a cow?  
Having pats on the head.

**How do you embarrass an archaeologist? Give him a used tampon and ask him which period it came from.**

Q. What's the difference between a firefighter and the Richmond Football Club?

A. A firefighter climbs a ladder.

**3 mates were trying to decide which bar to visit on the upcoming weekend. The North Melbourne supporter says, "I'm pretty well known at my regular place. I'll buy 2 or three pints, and then the bartender will throw one in for free." The Carlton supporter says, "I usually go to the pub down my street. The bartender free-pours, and I tip well, and every time I order a whisky, he pours me a double, but charges me for a single."**

**The Essendon supporter says, "There's this bar downtown. You never have to pay a cent for the booze, and you can drink anything you want. They'll give you a joint, and let you smoke it in the beer fridge, then at the end of the night, they'll bring you into the manager's office, where you can have all the sex you can handle, with multiple partners at the same time, if you want."**

**"No way!" protest the other two guys. "There's no bar like that on the face of the earth."**

**"Yes, there is. I've never been there myself, but my sister was telling me about it just last week."**

Capital Hash House Harriers, India.
