RUN REPORT 2152 - **to the tune of Piano Man
By Soft N Creamy:**

Well at 6pm on a Monday night, the regular crowd shuffled off

There's my mother walking beside me, saying I should've stayed home
See, I'd injured myself a day earlier, and it really was so fricking sore
but I walked and I walked on regardless even if I regretted it soon
La, la, la, di, da, da.
La, la, di, da, da, da, dum.
Sing us a song, it's a hash run
sing us a song tonight
while the beer is cold and we're not gathering mould
and everyone's feeling alright

As we walked through the streets of Currajong,
(and upper Currajong I mean)
there was a young man,
a guitar in hand,
trying to get us to give him some coin
we saw **B&D** from a mile away,
with lighting-up laces he strode
though he did protest, he took them off yes,
a well-earned shoey he did scull
La, la, la, di, da, da
La, la, di, da, da, da, dum.
Sing us a song, it's a hash run
sing us a song tonight
while the beer is cold and we're not gathering mould
and everyone's feeling alright

We stopped for a moment outside Pimlico,
a puzzled frown on our faces,
you see we were faced with a fence to climb,
and some of us don't really bounce.
We made it on home, and circle was called,
with a myriad of different charges
Miss Daisy was handed the POW,
and **Swampy** took one for the team
La, la, la, di, da, da.
La, la, di, da, da, da, dum.
Sing us a song, it's a hash run
sing us a song tonight
while the beer is cold and we're not gathering mould
and everyone's feeling alright.

From "The ultimate Rude and Politically Incorrect Jokes"

"You gonna shear that sheep?" the tourist asked the Kiwi farmer. "No way, mate!" said the farmer, "I'm not shearing her with anyone. Get your own!"

Toby had a little lamb. His case comes up next Friday.

What's the difference between a Scotsman and a coconut? You can get a drink out of a coconut.

Roxy, a large black Labrador, was sitting up in the seat at the movies, wagging his tail, growling at the villain and barking excitedly at the hero's escapades. The man in the seat behind was intrigued. "Excuse me," he said, tapping Roxy's owner on the shoulder. "That dog is extraordinary. I've never seen anything like it." "He surprised me too," said the owner, "He hated the book."

Sister Mary & Sister Barbara were driving along a country road when the Devil appeared on the bonnet of their car and made menacing gestures. "Quick" said Sister Mary, "show him your cross!" Sister Barbara leaned out of the window and yelled, "Piss off you bastard! I'll kick you in the fucking balls if you try that again! Don't mess with me you fucking prick."
