RUN REPORT- 2153

There I was, minding my own business, standing at the back of the circle in my Japanese riding boots when **SLASH** was selected to do the run report. Apparently, he isn't here next week, so I am writing the run report! I did not even leave the backyard so what would I know about the run and walk?

The run was about 4.5kms, and according to **ORGASM**, went out the back gate, around a corner, around another corner and then back to where it all began. Those that ran it seemed to be enjoy it although **CLEVER PUNT** and **EWOK** were looking for a drink stop (bike riding must make you extra thirsty). The walk was shorter and also went around a corner or two and ended up in the backyard of the **PULLTHRU / FALCON** abode.

Nibbles arrived in the form of snakes, dips and biscuits. An impromptu photo was organised by **SLASH** at the

request of **HIGHBEAM** from Sydney. I think she just wanted to have a photo to show a good-looking bunch of hashers (you excluded **HEMROID**) to the Sydney hashers.

TYRE FRUCK regaled us with a tale about a man with a broken mast due to his wife's poker machine addiction. Charges were had and awards were presented and it was decided that **EWOK** is half the man that **BLOWBACK** is (what an insult - but I am not saying who should be insulted). **EWOK** was awarded 850 runs and **BLOWBACK** a TVH3 record 1700 runs. Others also got awards but my memory fails me – so congratulations to them and sorry for not remembering them.

The raffle was drawn and only the blue tickets were put in the bucket – possibly at the behest of **TYSON** (who never puts the black tickets in) as **HOT4MALE** won a prize, one of the rafflers, **NOTSO** won a prize and when challenged she said it was **SWAMP**'s ticket (but he wasn't there to defend himself). The other prize was won by half a man, **EWOK**. Surprisingly **"BIG BOY"** **CLITIS** was not in the winner's circle (must not have bought any tickets or only bought black tickets?).

Nosh was served and the pea and ham soup and the pea and ham soup without the ham was quickly placed into styrofoam cups and delicately sipped upon by the demure pack. Hotdogs were also on offer and the pack ate them with its normal reserved attitude (*not*). More drinks were had, more lies were told and the pack ambled off in various directions –some probably even went home!

After another night of hashing it was time for me to go home and slip into something comfortable before skyping the love of my life!

On-On
CUM'N'TIME

Phone rings, woman answers.

A pervert, with heavy breathing, says, "I bet you have a tight ass with no hair"
Woman replies, "Yes I do, he's watching golf – Who shall I say is calling?"

On this day 24/07/2017

1965 - Rock group "The Animals" 1st time in British charts.

1969 – Apollo 11 returns to earth after leaving the moon.

MESSAGE FROM THE HABADASH:

The first Monday of each month, there will be a swap, buy and trade of tee-shirts. If you want to get rid of some hash stuff, bring it along. Bring your crap and swap it with someone else's crap.
