Run 2155 Hares: Booger and Tool Squeezer (with a little of Gash's influence)

Como llegamos para correr de esta semana pronto se hizo obvio que tenía una curva mexicana. **Booger y Tool Squeezer** pasaron la noche corriendo en graciosos sombreros intentando esquivar a los que querían usarlos como piñatas.

Trail que se encuentra a la izquierda, a la derecha o al centro de la carretera nos llevan en un corto recorrido alrededor de los suburbios a la parada de bebida de Sangría Y de vuelta a casa, en un montón de viejo camino.

Gash mexicano salsas eran como una comida de tres platos por su cuenta, y fueron un gran éxito, a seguir más tarde por la paella. GM puso un gran círculo, pero había demasiados cargos, icings, visitantes y ganadores de rifa para mí o bien recordar o intentar escribir en español!

Fuimos bendecidos con una visita de nuestro reverenciado **Monk**, donde **Amelia** perdió ese apodo, para ser siempre conocido como **Hot Lips**.

Grandes liebres de la noche. Encendido Mamada

Translation: As we arrived at the run it became obvious it had a Mexican bend to it. **Booger** and **Tool Squeezer** spent the night running around in funny little hats trying to duck those wanting to use them as piñatas. Trail found on the left, right or centre of the road lead us on a short run around the suburbs to the drink stop of Sangria and then back home, over plenty of old trail.

Gash's Mexican dips were like a three-course meal on their own, and were a big hit, to be

followed up later by paella. **G. M** put on a great circle, but there were too many charges, icings, visitors and raffle winners for me to either remember or attempt to write in Spanish! We were blessed with a visit from our revered **Monk**, where Amelia lost that moniker, to be forever now known as **Hot Lips**. Great night hares.

Blowjob

What did the leper say to the prostitute?
You can keep the tip.

A cattle station owner was having a drink at the local pub in the Northern Territory. A yank walked in and started bragging. "Ah come from Texas", he said," where everything is big. You call your stations big! In Texas, it takes me a whole week to ride around my spread on a horse!" "Shit!" explained the station owner. "I had a horse like that, so we shot the lazy bastard".

Why is a condom like a coffin? Both hold a stiff, one is for coming and the other is for going.

Allan: 'Hey Terry, I saw a guy screwing a big Alsatian yesterday!'
Terry: 'Really?'
Allan: 'Yeah, and you know how the tail gets in the way.....?'
Terry: 'Yeah.....'
Allan: 'I thought so.....'

The cab broke down in a lonely part of town. The driver got out and lifted the bonnet. His pretty young passenger called out, "Do you want a screwdriver?"
"Yes miss," he replied, "but wait till I've fixed the motor."

Why does Mike Tyson cry after sex? He's got mace in his eyes.
