**Run 2158 – RED DRESS RUN @ FLYNN'S IRISH BAR  
AND GRILL - 21/08/2017**

Driving down Flinders St in a maxi taxi with fellow red clad hashers, said to the driver 'see all those silly pricks in red up the end of the street'...yeh, he says.... well pull up there. So, what do we find, heaps of Hashers in red ready to paint the town red and we did. After a quick pint or two, it was on-on to terrorise the inner-city streets of town. The runners took off but only made it to Molly Malones when the walkers lost them in our quest for more drinking spots, we didn't even get to the brewery before **Suzi Wong** accosted some poor bugger at the

lights, and got a donation. Into the brewery and no one was safe so more donations for **Black Dog**, thanks to **Kockless**, were gratefully received. Off to the drink stop at the Herbert, poor locals were struggling to chow down on their steaks or have a durry without **Suzi** or **Soft N Creamy** sticking a donation tin under their noses. Many beverages were enjoyed at this establishment much to the amusement of the locals. On-on back to the venue, the runners returned with rattles in their tins also, fuck nose where they went but heard someone mention Palmer St. Flynn's Irish Bar, great spot and lovely cold beer with club nibbles. After many bevy's GM **Booger** calls circle and says, this'll be the shortest circle in TVH3 history, yeh-yeh, heard that before, but low and behold it was, scribe didn't even get to sit on ice, lol, no raffle, POW or erectus, **CRKEY**, what are we coming too. Anyway, after scant nosh but lots of beer (priorities are correct) we headed off to our respective boroughs after another great night of Hashing  
On-On

**This electrician arrives home at 3am.  
His wife asks him, "Wire you insulate? He  
replies, "Watt's it to you? I'm Ohm, aren't I?"**

A superconductor walks into a bar. The bartender says, "Get out! We don't serve your kind here." The superconductor left without resistance.

**An Ohm is a Hindu voltage measurement.  
Ohmmmm.**
