### **Run report run 2163- Not So and Sudden Insane:**

Run Report from the **insane** run held on Monday at **Sudden** and **Not-So's**. The happy throng descended into the bowels of Douglas to what was to become another great run/walk /stagger. Prelube drinks were being taken when **Sudden** announced the run start, usual walkers to the left, runners to the left so we all went right on leaving the premises. Found trail that lead us to the river which was really a great highlight, (Have not seen so much water in one area for a long time) following trail on and off the track was not a problem as the trail was well marked and lead us all back to the bucket for some well-deserved refreshments. Circle was called Hares were called for their 7/10 run. Prick of the week went to **Booger** for well-being a prick I guess. Instead of thanking me for putting him into contention for the prick of the year award I was relegated to the ice chair. **Coyotte F'Ugly** received the erectus for multi-tasking e.g.: riding a push bike while taking selfies and posting them on Instagram (who needs handle bars anyway) he was also iced for some law-breaking offence. **Serenity** was the star of the night for shouting the birth of his first grandchild. This now makes him eligible for afternoon poppy flops, he will require these rest periods because the effort he goes to park his bike is quite demanding. A numerous amount of charges was forth coming, raffle was drawn and went to the three lucky bastards. That should enjoy the beverages that result in winning. Nosh was called sausage stew and rice an all-time favourite, I left it a

bit late and had sausage soup. **Sudden** decided on an insane moment and produced a bottle of 2002 vintage April fools port which was much appreciated by all. Trailer's leaving in 1 minute, beer is gone, port is gone. **Sudden** says you can all fuck off now. **Blow-back** of course welcomed us to the **Gen-Russ** house to drink more and more and more. Top run, great night, excellent company. But a very slow Tuesday.
