Run report run 2164 – Orgasm, Shocker, Mr. Bean delegation run.

No run report received at the time of writing, again. So here goes, from editor.

It was a delegated run as the trail was marked by **Tart Ann** and **Soft N Creamy (Orgasm** had marked the trail on paper) and the nosh was cooked by **Mother Duck**. The pack gather at the abode of **Orgasm, Shocker** and **Mr Bean**. An amount of the amber liquid flowed prior to the commencement of the run. As the run time neared, **Shocker** mounted the trailer, thank goodness for that, said **Orgasm**, and announced to the gathered horde, out the gate and runners to the left and walkers to the left. The pack set off at the pace of 1000 snails. Runners ran through the streets of Kirwan while the walkers staggered through the same streets only different. Runners were back at home about ad just half an hour before the walkers staggered in.

Pre-nosh nibbles were provided by the real hares, more amber liquid flowed, **Clever Punt** cycled in (barely, as he had just arrived from Melbourne, full of celebratory joy that his team had won the AFL grand final). **Turd Born**, from the Cook Islands? Was the only visitor and was graced with the erectus for his efforts. Down-downs flowed to all and sundry, **Rammy** graced the 'chair', only because he likes to cool down after a run. Nosh was served and eaten, more amber liquid flowed and more bull-shit was dribbled before the evening was over.

Well planned and set run, great nosh, great company and a lucky **Swamp** for winning the 'tokens'. On-on **Swamp**.

My mother was rushed to the hospital following a serious tumble. There the staff placed a band around her wrist with large letters warning: 'Fall Risk'. Unimpressed, Mom said to me, "I'll have them know I'm a winter, spring, and summer risk also".

Texting acronyms can stump even the best parents:

Mom: Your great-aunt just passed away. LOL.

Son: Why is that funny?

Mom: It's not funny, David! What do you mean?

Son: Mom, LOL means Laughing Out Loud.

Mom: I thought it meant Lots of Love. I must call everyone back.

Daughter: I got an A in Chemistry.

Mom: WTF!

Daughter: Mom, what do you think WTF means?

Mom: Well That's Fantastic.

Mom: What do IDK, LY & TTYL mean?

Son: I don't know, love you, talk to you later.

Mom: OK, I will ask your sister.

Over dinner, I explained the health benefits of a colourful meal to my family. "The more colours, the more variety of nutrients," I told them. Pointing to our food, I asked, "How many different colours do you see?" "Six," volunteered my daughter. "Seven if you count the burned parts."

"Why doesn't your mother like me?" a woman asks her boyfriend.

"Don't take it personally," he assures her. "She's never liked anyone I've dated. I once dated someone exactly like her, and that didn't work out at all."

"What happened?"

"My father couldn't stand her."

Q: What did mommy spider say to baby spider? **A:** You spend too much time on the web.
