Run report run 2165
Wart and Blow Back

The pack started at Old Mate Greg's residence just across from the cowboy's stadium. The hares, **Blowback** and **Wart** sent / pissed us off on the walk / run to where the drink stop was, at **Tucker-Fuckers**, where we downed an old favourite of port and lemonade. Then it was a scenic route on home along the river. The pack gathered as the circle was called by the very wasted GM.

The 3 loud mouths of the night were sentenced to sit on ice; **Pink bits**, **Shatter** and **Sex pistol**. I'm guessing the GM had it in for Sex pistol coz he was on the ice for a lot longer. Turd-born refused to hand the erectus over to the JM (has trust issues) passed it onto **Groper** as a last resort piss poor excuse. The out of orderly **Clever Punt** passed the POW shirt over to **Tyson** for something about Magpies. The GM and JM must have looked thirsty as **Crappa** who recently returned from Hobart gifted them each with a cider to down-down. After the circle, nosh was served and most of the hashers pissed of early, perhaps saving themselves for the big one next week.

On-On, **Orgasm**

To succeed in life, you need a wish bone, a back bone and a funny bone.

Don't take life too seriously, you'll never get out of it alive.

Behind every great man is a woman rolling her eyes.

I may be drunk, Miss, but in the morning, I'll be sober and you will still be ugly.

A woman only needs 3 things in life – food, drink and compliments.

A woman's mind is cleaner than a man's. She changes it more often.

Laugh and the world laughs with you, snore and you sleep alone.

Life is hard. After all, it kills you.

Weather forecast for tonight – dark.

Comedy is simply a funny way of being serious.
