**Run 2168 – Pussy Lane and Kung Poo**

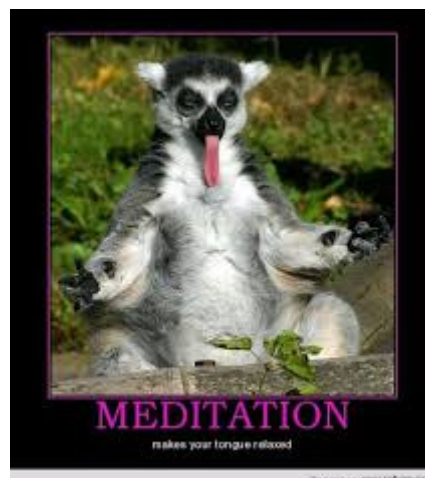

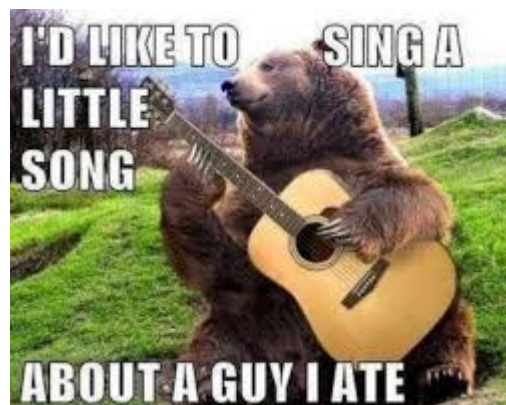

A motley gang of Hashers gathered at the abode of **Kung Poo** and **Pussy Lane** with ominous clouds gathering over the horizon. Talk about whether it would rain or not was evident. **Tart Ann** consulted her not too scientific app 'who'll get the rain' on the mobile and stated that it would 'rain' at a certain hour. The weather guesses countered by saying 'that's not scientific and it's a load of crap'. The rain came at the designated hour proving the guessers wrong. Enough about the rain. Poo mounted the trailer, mentioned something about the run /walk was 'out the gate and turn left or right'. The runners ran. The walkers walked and got lost. **Orgasm** became geographically embarrassed on a couple of occasions, which goes to show that no-one's perfect.

The circle was eventually called, amongst the rain, various reports were given; various down-downs were given out; **Serenity** was sold into slavery, being owned by a remedial massage theorist. Nosh consisting of curries was served to the hungry hoard and ravishingly devoured.

A good run / walk, excellent nosh and a very enjoyable night. The party got rough, and rough decided to pull her pants up and leave.

ON-ON  
SWAMP.

**Q - What did the cyclone say to the coconut trees?**  
**A - Hang onto your nuts, this is one hell of a blowjob.**

**Q - What's the difference between 'oral' and 'anal' sex?**

**A – Oral sex makes your day. Anal sex makes your hole weak.**
