makes it hard

What do a clitoris,

and a toilet have in  
common?

Men usually  
miss all three

## Run 2172 – Tart Ann, Soft N Creamy & Swamp

The pack made their way to [26 Wavehill Drive](#). If you got lost you'd be a dickhead because you can get there from either end of the street. If you go too far from one end, you'll hit MacArthur Drive, but if you go too far from the other end, you'll hit MacArthur Drive. If you turned into Wave Hill Drive from MacArthur Drive and ended up at MacArthur Drive without finding The Run, we're glad you didn't find it because there's no way you would have found trail.

Our beloved Hares set us off on The Run and we then enjoyed visiting drains, streets, drains, roads, parks, drains, drives, drains, crescents, drains and streets (not necessarily in that order), eventually arriving at a refreshing drink stop. As refreshing as the drink stop was, fortunately the running pack departed before "milky-milky" fluids were added to the "sweet-sweet" taste of "down-down" juice (presumably to please the lazy walkers who obviously relish "milky-milky" fluids).

On returning Home, we savoured some cold refreshments of choice (not Tun) from the Hash Trailer before forming a very ordinary version of what's known as a "circle". We then listened to some dickhead pretending to be the GM (which is otherwise known as "acting") who proceeded to take us through the usual weekly ritual. The cherished Erectus went to **Blow Back** who continues to be a bad weather fortune-teller. While there were very important raffle winners that might have been worth mentioning, the noteworthy **Sherlock** (who apparently won his first raffle since being in TVH3 way back in the Dark Ages) is the one who springs to mind - (you'll win more if you spend more money you tight fuck!).

Lastly, the Prick of The Week went to a very deserving birthday boy known as **Slash**. He's a dedicated Hasher who has done plenty for TVH3 over a long period of time, and even parted with some cash for the occasion shouting drinks for all - well done! We also had some wonderful chocolate cake which was just what the doctor ordered (even though Bulk Bill wasn't there). By the way **Slash**, you are now officially an old TVH3C.

Thanks to the Hares, very enjoyable run.

On-On  
**Clever Punt**
