Hobart Hash House Harriers and Harrietts (H5)

Chardonnay Hash House Harriers, Hobart

**Run 2173 – Booger and Tool Squeezer**

A Tale of a Goodly Pack.

A goodly pack gathered at Casa de **Booger** & sallied forth into the setting sun (except for **Coyote Ugly** who created a pack of 1 at Casa de **Wrong Way** & wondered where everybody was). The runners enjoyed their meander through the vales of Aitken & Currajong, whilst the walkers perambulated on to the drinks stop with a wonderful view of men trying

to rip the tags off each other's shorts while watching women cheered.

Back at the Booger abode, **Tool Squeezer** apologised for the faint trail marks (...rain...??) He was forgiven everything due to a magnificent a-pre-run entrée. Back in the circle, **Shocker** was celebrated for his ability to actually convince **Orgasm** to say, "Yes, Yes, Yeeeeeeeeesssss!" & the happy pair received presents from **Slash & Blowback: Orgasm** Prick of the Week, & **Shocker** the Erectus. Notable down-downs were **Hercules** (for going Down-Down twice at the Harriette's Christmas Party) & **Not-so** for a splendid (& very unappreciated) impersonation of a dead person! The **Full-Moon Hashers** howled at the moon & then had a drink! **Cuttlefish** was accused of starring in the BCF Christmas catalogue without a Hash Shirt.... **Swamp** earned a drink for his deep manly voice, **Captain** earned a drink for being a smartarse. The G. M had to remind everyone that the Down-Down is in fact a punishment, NOT a reward! Nosh was a tasty curried sausages & vegetables, served with rice.

On-On now to the AGPU & Christmas run.

Tart Ann

TVH3's 40 anniversary run at Rowes Bay Golf Club. The boys performing 'Sweet Chariot'

**This is the last trash from this committee. Well done for the year and congratulations to the incuming committee. Merry Christmas to all - from the old committee.**

"First rule of leadership: everything is your fault." -

**A Bug's Life**

"Always drink upstream from the pack." - **Will Rogers**

"Don't tell people how to do things, tell them what to do and let them surprise you with their results." -

**George S. Patton**
