RUN REPORT 2179 – Self Abuse, Pick-up & Blow Back –

Well, what some people will do to get out of writing a run report. I checked the Trash and there it was in grey and white (printer ink was getting low); **FRESH FANNY** was the scribe for Run 2179, but, where was she? She did a runner and left it to me. Anyway, enough rambling. **SELF ABUSE, PICKUP** and of course the omni present **BLOW BACK** were the hares for Run 2079 and they put on a humid, overcast evening.

The run was a cracker!! **WART, PHLASH** and the new FRB **SHOCKER** led the intrepid few through trails I didn't know existed and I have been around a little while. It has to be said that some of the trails were virgin trails; meaning that no bastard had ever been on them before. There were tunnels filled with nothing, tunnels filled with bats (which made **KUNG POO** squeal like a blue whale on heat), shiny (shonky?) apple trees and dry creek beds with cunningly placed fallen tree trunks just high enough to be difficult to get over but low enough to have you face scraping to get under. Only grizzle was the run could have been a bit longer but great trail. **WELL DONE!!**

The circle was called to order by the **GM SERENITY** (accompanied by lightning, thunder and 27 drops of rain), who proceeded to destroy his conjugal rights for the next few days by giving **SCISSORS** a down-down. Once that was over he wrecked team work cooperation by giving **JM TEASER** a charge (don't ask me what for, just be impressed I remember that much). The next to face admonishment was **EATON** for **WETIAF**. **HEMROID** brought a friend **SHANO** with whom he has been destroying mango trees and pineapple plantations, and visitor **EIFFEL TOWER** (or at least a short, male impersonator) came from somewhere where they don't wear hash shirts. Erectus went to **CAPTAIN** for being a FWB (front walking bastard) and POW went to **MOTHER DUCK** for something that I can't remember, but she made **HEMROID** drink the TUN shit beer; good one **MOTHER DUCK**. I can see who wears the pants in that family (oh hang on, I am writing **FRESH FANNYs** run report).

Excellent night. Great nosh. Thanks Hares!!

JOKES:

When a woman marries, she expects three S's – sensitivity, sincerity and sharing. What dose she get? The three B's – burps, body odour and beer breath.

Why are men like public toilets? They're either vacant, engaged or full of shit.

An elderly spinster was asked why she never married. 'I have a dog that growls, a parrot that swears, a fireplace that smokes and a cart that stays out all night. Why would I want a husband?'

I believe in circumcision – it's no skin off my nose.

She was looking for a husband, so she placed an ad in the 'Lonely Hearts column. She got 50 replies, all saying 'You can have mine.'

'My boyfriend's a S.N.A.G', said Jody. 'A Sensitive New Age Guy'. "That's nice", replied Carol. "Mine's a Caring Understanding Nineties Type".
