RUN REPORT 2181 – El Dringo and Benta Dick
Australia day run report

Surprise, surprise the pack gathered at **El Dringo's** place for the annual Australia day run. With most of us dressed for the occasion, we were sent off on a Long, Long, Long, Long, Long, dry run and walk. (Thanks, **Benta** - you, old fart!) We arrived back to the most Aussie of traditions, Vegemite sandwiches, Aussie day flags and memorabilia on display. The circle was called, visitors drank up and charges were yelled out. The prick of the week was handed over to someone bragging they hadn't had it in years. (Silly thing to do). One of the downs-downs was for all hairdressers, although **Kung Poo** must have had a career change as he thought he best go up and drink with them. Lots of different prizes were drawn out for the occasion which made it a really, long circle. The pack were licking their lips waiting for the sangers to come out. Great Aussie day hash run, with free entertainment offered by **Catblew** and the blow-up sex doll kangaroo.

On-On Shocker

PS - Remember that you are a guest at the hare's hacienda.

ON THIS DAY: 5 February

1816 - Rossini's opera 'Barber of Seville' premieres in Rome.

1870 – The first motion picture was shown to a theatre audience in Philadelphia.

1901 – 'Loop – the – loop' centrifugal RR (Roller Coaster) was patented by Ed. Prescott.

1922 – Reader's Digest first published.

1931 – Sir Malcolm Campbell, in the racing car – Bluebird – sets a new land speed record of 245 miles per hour breaking the previous record by 14 miles per hour.

JOKES:

Two nuns were cycling down a cobblestone street. The first one says to the other, 'I haven't come this way before.' The second replies, Me either. Must be the cobble-stones.'

Business was bad. The owner had to dismiss one of his employees. It came down to Jack or Jill. He called Jill into his office and said, 'Jill, I have to either lay you or Jack off.'

'You're going to jack off then, 'cos I've got a bloody head-ache', Jill responded.

10% of all road accidents are caused by drivers under the influence. Does that mean that 90% of accidents must be caused by non-drinkers?

"Drinking makes you look beautiful, darling." "But I haven't had a drink." "No, but I have."

The doctor dropped into his Club most nights to have his favourite cocktail, an almond daquiri. One night, Dick the barman found that he was out of almonds, so he crushed some hickory nuts instead. The doctor took one sip and beckoned to the barman. "Is this an almond daquiri, Dick?" "No", said Dick, "it's a hickory daquiri Doc."
