ON THIS DAY IN HISTORY:

1600 – Peruvian stratovolcano, Huaynaputina, explodes in the most violent eruption in South American recorded history.

1700 – Last day of the Julian calendar in Denmark.

1856 – Tin-type camera patented by Hamilton Smith, Gambier, Ohio.

1881 – Kansas becomes 1st State to prohibit all alcoholic beverages. (Ed – Seems not to be a Hash Friendly State).

1942 – About 150 Japanese warplanes attack the Australian city of Darwin.

JOKES:

SMART THINKING –

Yesterday, on my bike, I went to the local Uncle Dan's grog shop and bought a bottle of Whisky and put it in my back-pack. As I was about to leave, I thought to myself, that if I fell off my bike, the bottle would break. So, I drank the bottle before cycling home. Finally, it turned out to be a very good decision, because I fell off my bike 7 times on the way home. Imagine what would have happened to that bottle!... Wisdom will kill me one day.

It was bedtime, and as the young boy snuggled under the covers, his Union shop steward father began the nightly bedtime story. "Once upon a time and a half..."

What's the difference between a University and a Technical College?

At University they teach you to wash your thoroughly after going to the toilet. At Technical College they teach you not to piss on your fingers.

Barry was blind. Someone had just given him a silver coated nutmeg grater for his birthday. When asked how he liked it, he said that it was the most violent story that he had ever read.

An Australian gentleman is a man who gets out of the bath to piss in the sink.

**What's the difference between an Australian wedding and an Australian funeral?
One less piss-head at the funeral.**
