## **RUN 2185 Cuttlefish & Eaton**

WET, WET, WET Run **Report Part I**  
Happy Birthday **Eaton**...

A small waterproof group of hashes turned up to Eaton’s puddle filled garden for the run ..... walk.... there were more runners than walkers for a change....9 runners and 7 walkers. The runners even swam through Anderson Park... The hashes at the trailer huddled in groups in the shed or on the veranda trying to stay dry and keep the rain out of their drinks....

The **GM** tried to shout out in the circle but the chorus of frogs was defiantly louder.... No show for the Erectus or Prick of the week. Missing tokens were the subject of contention as the **GM** iced **Scissors**

Tasty corned meat sangers for nosh as well as birthday cake....thanks for the run **Eaton** and **Cuttlefish**

Happy 25<sup>th</sup>???? Birthday **Eaton**

## **Run 2185 Report Part II**

Talk about it raining on **Eaton’s** birthday parade. Geezus, cum 6pm sharp and **Cuttlefish** sent the small, never say die, brave pack of runners & walkers out into the torrential rain. hoping they would return. They did return, looking like they had just swum the English Channel. The large dry trailer brigade gave them a rousing welcome home. With well wishes; like how was it dickhead? The circle reluctantly gathered in **Eaton’s** garden of quagmire. The **G.M** welcomed the pack to run 2185, and that was the last thing I heard. As if on que a separate circle had started between the frogs & toads drowning out the **G.M**. I caught a few snippets. **Scissors** got iced by the **G.M**, must have been revenge for a squabble over the weekend. The weather phukers naturally got a down-down for trying to fill the dam in one afternoon. **Tartann** was awarded a badge for so many runs, POW & erectus were no show. **Coyote** received an un deserved down-down for talking in the circle, he had **Twitter** standing beside him getting his ear smashed. Some lucky pricks won the raffle. Nosh

was corned beef sangers again, but with **Eaton’s** culinary touch and the birthday cake baked by Eaton’s next-door neighbour pleasantly topped nosh. Snap shots were taken of the birthday girl cutting the cake with **Cuttlefish’s** assistance. looked more like a wedding photo. Ahh that’ll get the social media humming. Time to go. The **G.M** was talking shit. A memorable night.

## **JOKES:**

**Swamp rang the local Chinese restaurant to order some food.**

**“Can I speak to Ha-Fin?”**

**“No. Ha-Fin is out.”**

**“Is that Ha-Fout?”**

**“No. Ha-Fout is not in.”**

**Well, who’s that?”**

**“I’m Ha-Fup, the receptionist.”**

**“Sorry, I’ll call you back when you’re not busy.”**

How do Greek mothers teach their children to put on their underwear?

Yellow to the front, brown to the back.
