## Run 2188 Orgasm and Shocker

Hares were **Orgasm, Shocker** and **his Mum**. The run led us through 5km of the back streets of Kirwan no one was murdered or abducted, and **Serenity** revealed he couldn't catch an AFL ball to the disgust of the local children. Drink stop was something green and icy. I noticed **Shocker's mum** finishing off the down-down bucket during circle. **Pythagorarse** went missing during the run and we spent no time looking for him.

**Wetcheques** social experiment of \$2 drinks continued another week, initial feedback suggests the Hashers prefer to pay less for their beer. Circle began **Blowback** gave the POW **Bentabeak** for praying at the RSL on Saturday night and the missing Erectus was given to **Donald** aka **Haemaroid's** friend. **Shocker** discovered a remote control which made a balloon explode and **Coyote Ugly** was charged for biting a five-year-old child. **Coyotes** behaviour has been blamed on his recent conversion to Islam so after tonight he has sworn to become an Amish.

The weather fuckers were charged for allowing it to rain during circle. **Captain** led us through The Lobster Song and proved again we aren't and shouldn't become a singing Hash.

**Sherlock** (and Bruce Willis) celebrated his 68th birthday, said he was looking forward to 69 tonight, he must be ageing quickly.

Circle ended with **Orgasm** cooking pasta and pizza for everyone.

On-on **Kung Poo & Pussy Lane**

## JOKES:

When the Russians were accused of being behind the assassination attempt on the Pope, the K. G. B said they'd thoroughly investigate the matter. After exhaustive interviews and countless viewing of

video tapes it became clear that the Pope opened fire first.

**What do you call an attractive woman in Russia? A tourist.**

What's the difference between a Scotsman and a coconut?

You can get a drink out of the coconut.

**How do you identify the clans in Scotland?**

**If you lift his kilt and he's got a quarter pounder, he's a MacDonald.**

## ON THIS DAY:

**1824** – First performance of Beethoven's "Missa Solemnis" (Latin for 'Solemn Mass').

**1830** – The Book of Mormon is published in Palmyra, New York.

**1845** – Patent awarded for adhesive medicated plaster, precursor of band-aid.

**1953** – Dr. Jonas Salk announces vaccine to prevent Polio.

**2015** – Richard III of England (1452 – 1485) is reburied at Leicester Cathedral in England, after being discovered under a carpark in Leicester in 2012.
