Run 2190 – SHATTER AND COYOTE UGLY.

Plenty of hashes turned up to Shatters place for a run through the streets to try and loose a bit of weight after all the chocolate Easter eggs they ate over the weekend. Tropical cyclone Iris was just north of Townsville and she tried to give us some decent rain but it was just fairy's piss, so we didn't need the raincoat after all.

It was a long, long, long....run/walk through the suburbs of Aitkenvale and Cranbrook so the drink stop was very welcome to quench our thirst.

As the GM started the circle Shatter interrupted with a lecture about work safety and I had to wear a hard hat as we were standing under low beams.

Many hashes were awarded hundred run shirts and badges. The Erectus was missing in action. The prick of the week shirt went to **Wart** because he hasn't had it for years. Charges from the floor and raffles made for another entertaining hash night.

Hash ode to Australian cricket

The **CAPTAIN** was there when a **SUDDENLY INSANE** idea was considered whilst they were **EATON**. Let's **DE MUNCHA** or **SCRUBBA** the **BALLSY** said the vice-**CAPTAIN**, **TEASER**. What a **CLEVER PUNT** I am she thought. It turned out to be not a good **CALL GIRL!**

A plan was hatched, and all was good until the big screen came into play. Where the hell are the **CUMULINGUS** clouds so that rain can stop play or a **STREAKA** to deflect the attention when you need them. It didn't take **SHERLOCK** to see something was the **WRONG WAY**. The coach looked and said tell me it's **NOTSO** to a player who shall remain **NAMELESS**. **DAMMIT** what we done we will **COPIT** now. This is a **SHOCKER** and the **BLOWBACK** from this will **SHATTER** the **SERENITY** of our cricket. Boy I am I **GRIZZLEY** about this.

Meanwhile on the field **CAMERON LAGUNA** thought oh **BOOGER** but as he was **KOKLESS**, **PRICKLESS** and had **KNOW KNOB** he hid the evidence near his **CODS**, so he could remove it when he had to go the **CRAPPA** because of his **HEMRIOD**. It may make me waddle like a **MOTHER-DUCK**, but the umpires will never catch me without a **TOUCH UP** he thought. Hopefully it will go just like a **CUMMANDO** raid but my escape from the field cannot **CUM-N-TIME**. **TWITTER** lit up and there was nothing **SOFT-N-CREAMY** about the comments. Being called **MASTERBATER's** and as **DUMAS DOGSHIT** was on a lot of **HOT LIPS**. We were even called **FRESH FANNY**, **HOMO** and **TOOLSQUEEZERS** and some **RAMROOTER** from NZ told us we had committed **SEWERSIDE**. It also made quite a **PHLASH** in the newspapers and the letters to the editor section was **HOT4MALE**.

It was a **LONG TIME CUMMING** and the public were **FILTHY** and it was left to cricket Australia to **PICK UP** the **PINK BITS**. They realised that it would take a **BLOW JOB** using **DDT** and who was going to pay the **BULK BILL** to fix the problem. This had been a **SHOWSTOPPER** and it was time to **SLASH** the team. It really had been a case of **SELF ABUSE** stemming from a **TOXIC** and **SEPTIC** culture.

The banished players arrived home and were driven from the airport in a **FALCON** by a **COWBOY** named **MISS DAISY**. Once they got home they just cried whilst they were **DUNKIN** their biscuits because they were all **PULL THRU's**.
