Run 2192 – Hemroid & Mother Duck

Editor arrived at **Mother Duck** and **Hemroid's** abode only to see the pack disappearing through the gate. The runners went hither and dither and almost missing a drink stop at a lonely subdivision of Cosgrove. The walkers, on the other hand went dither and hither, ending up in Cosgrove. Some concoction was had by all and sundry at the drink stop, while the dredges of said concoction ended up as the down-down drinks. The 'trailer party' secured the trailer from a swarm of raiding mozzies only to be fended off by an ample spraying of areogard.

Gash was setting up her wares of merchandise on a 'cargo net'. Pre-nosh, chips and some form of open toasties, yum, was served and devoured. **Hemroid** kept receiving down-downs for trivial misdemeanors and complaining about the free drinks he was receiving, stop complaining and enjoy. Circle was called, Don gave away the Erectus to Dunkin and Teaser down-loaded to POW to her other half in Know Knob, keeping it in the family, I believe. Down-downs were given to worthy recipients, who deserved them. Circle ended, nosh served and devoured. Where was our 'safety officer' who would've picked up the 'hole' hazard. Good run / walk ?? good nosh, good comradery was had by all and sundry.

JOKES:

What did Adam say to Eve? 'Stand back, I don't know how big this thing gets.'

What does a ferocious lion and a one-inch penis have in common? You don't want to try to f* with either of them.**

The new padre was visiting Dennis and Doris out on their new farm. "How many children do you have"? he asked. 'Six' replied Doris. 'Three sets of twins'. 'That's unusual', replied the padre. 'Twins every time!' 'No! No!' said Doris. 'Thousands of times nothing'.

'What's the difference between a tram and a taxi?' he asked her. 'I give in. I don't know.'
'Good. Then we'll take a tram.'
