RUN REPORT - 2196

**HARES - NOT SO & SUDDEN INSANE
HASH RUN REPORT:**

Runners were late getting in. **CAPTAIN'S** report was N.F.C.W. W.T.G. (no f**k'n clue which way to go). Apparently, there were conflicting signage.

Walkers Report: Good, Dark & not a drink to be seen. (They knew where to go).

Dun-rooters Report: The dad's army endeavoured to secure the trailer.

P.O.I. (Points of Interest)

It looked like it was a **ROOSTER'S** night for the amount of times he was called up. At the end of those lucky legs he tried to disguise old shoes into looking new by painting them green.

From one historical Hasher to another - **ROOSTER** handed over the "Erectus" to **SHERLOCK**.

Our O.H & S.O. (**SHATTER**) had a lot to report. **HOMO's** - black toe for not wearing steel cap boots.

EL DRINGO - sleeping in an un-designated area. **SUDS** - too many "Trip hazard" areas - not wheel chair friendly to give the tick of approval to W.C. friendly loo.

Charged **COYOTE F'n UGLY** for racing off on his deadly treadly into the darkness with no helmet & without a L, R, look care if you may. So was handed the award of the lovely TUTU P.O.W. Shirt for the most "Reckless behaviour".

BIRTHDAYS: CRAPPA & HOT-FA. Oh, why they were born so beautiful.

VISITORS: OPUIM (because he sold drugs/chemist) from the Gold Coast. Was charged for brazenly turning up without a Hash shirt on.

EL DRINGO displayed his ingenious idea of embroidering who stole **JUGHEAD'S** "Queensland lunch" Banner (Bali 2016) before returning it.

PULLY was most popular. Gifted G.M. a carton of beer (sucking up for being absent) but had a memory laps and ended up drinking it all. So, gave him something that looked like a keyring.

The G.M. (cunning like a fox) sniffed out **PULLY's** whereabouts thru the "*Pull Magazine*". A dubious place of pleasure but nothing like the **SERENITY** Room.

G.M. presented another object of joy (to his favourite wench to keep the candles burning in his absences) for the **SERENITY** Room.

BOOGA thought it needed protection and covered it with a red flimsy Peter Cover. (I think he's in on this somehow).

All this rended the J.M. googy eyed and she lapsed in her duties and forgot to hand out down downs.

EWOK praised **COPIT** for her "hair colour/jacket" combo as a beneficial safety beacon (**SHATTER** was most impressed). Just as well because she n **NOTSO** forgot their "tracking equipment" in-case of lost n found.

BIG WETTY was commented on the budget. In his absence there was a profit of 60 cents.

RAFFLES: 1st - **SWAMP**
2nd - **WART**
3rd - **PULLY**

FIJI – BULA-BULA VINAKA to all those going over to mis- manage the reputation of Townsville.

A much smaller turn out then usual but a good run and the Grub was good.

RUN RATING
