RUN REPORT - 2198

HARES – Hot 4 Male & Tyson

With some of the hashers still in Fiji, there was still a good roll up at **Hot-Fa** and **Tyson's**.

The run got under way at 6.00 PM, with both the runners and walkers going out the gate and heading for the corner with the walkers turning right and the runners left. The runners apparently running through the park, passed the Bowls Club and around the streets to a drink stop near the Golf Club where it rained. Walkers, right, down the road, across a grassy waterway, across Charters Towers Road, through the back streets to the drink stop, near the Golf Club, where it had rained. Before that, we had a hold check, out of the rain, under the trees. I informed the pack that it was a 'wet check', only to be told by **Cock-or-Two** that she didn't bring any with her. I was shocked as usual. I don't know much about the run / walk home as I got a lift home.

Tyson had trouble seeing through the windscreen as it had fogged up. This may be from my 'heat' as Poke-Her was soooo close.

Anyway, nice walk and a good run, apparently.

Visitors – **Opium** (again) and his mate **Mademoiselle Latrine** who took the Erectus down-down for **Cock or Two**. Many down-downs, raffles won (lucky bastards). As usual, plenty of nibbles, and a good feed by **Tyson** and **Hot-Fa**. Great night. P.S – am waiting to hear the tales from Interhash. On-On.

Benta-Beak, twin brother of Ex Pope, **Benta-Dick**. (My father plays dominos better than your father, like hell he does.

JOKES:

A gay said to his doctor, "I think I've got AIDS." "Who did you get it from?" Quizzed the doctor. "How do I know – do you think I've got eyes in the back of my head?"

What do you call a gay dinosaur? A Megasaurus.

The epitaph on Liberace's headstone – He was great on the piano but sucked on the organ.

What's three things a man should NEVER say in a 'gay' bar? (1) Bottoms up! (2) Well fuck me! (3) Can I push your stool in for you?

I don't play golf. It ruins a nice walk.

ON THIS DAY – 4 JUNE

781 BC – Oldest Chinese recording of a solar eclipse.

1070 – Roquefort cheese created in a cave near Roquefort, France.

1769 – A transit of Venus is followed five hours later by a total solar eclipse, the shortest such interval in history.

1896 – Henry Ford takes his 1st Ford through the streets of Detroit.

1942 – Battle of Midway begins; Japan's first major defeat in WWII.

HASH SONG:

Sung to the tune of 'sing a song for sixpence'

Sing a song of six cheeks,
A pocket full of flour,
Four and twenty hashers,
Were lost on trial for hours.
And when they found the beer check,
There wasn't any there,
They all agreed to go On-In,
And fuck the fucken hares.
