### **RUN REPORT – 2199: PULLY AND WART.**

Bula! Bula! We all assembled at Tucker n Camp Tart's place for Wart and Pully's run ready for some brisk exercise, well some were. Welcome back to all our Townsville Hashers who returned from Fiji bearing many gifts for our lucky GM. Our Hares liked the idea of an Origin run, so we came attired in our fabulous Maroons gear, except for some tragic Blues supporters. The pack were keen to get on the run/ walk or toddle to the club. After our strenuous exercise and a few drinks, GM started the circle with much anticipation of receiving beers from far and wide. First cab off the rank was **Hemroid** with a beer from, would you believe it, Fiji which took GM forever to drink. It must have been good! Run report was provided by **Bulk Bill** who said they followed the walkers to the drink stop, funny how walkers know where the drink stops are. He said it was good trail, NOT! **BJ** gave a walker's report, but alas she chatted along the way so didn't recall much (she did have a lot of catching up to do). **Dringo** helped to guard the trailer, his only GOAL for the night (some people have enormous aspirations). **Master Bates** and others found their way to Brothers, (yes, I know it's not like MB to go to Brothers) for some cheap drinks. The beer prices even passed the **Sherlock** test. It was a very chilly night in lower Kirwan, so **Daisy** brought along the gas heater and we also had a real fire too. Catblew was missing, so the wood lasted all night and we didn't have to call the fire brigade. The Fiji "tropical troopers" were called out for a drink all nine of them. **Rammy** provided another international beer for our lucky GM. **Hemroid** tried to report on Fiji Interhash, but reckons he drank beer and slept so he couldn't remember a thing. **Cockortwo** passed on the erectus to **Jizmbelle**. She thought the cold night reminded her of Scotland. **Soft'n'Creamy** passed the POW to **Shocker**, but buggered if I know why? **Dunkin** provided the lucky GM with some duty-free whisky, then **Dringo** gave our lucky GM a Fijian cap. All the travelling hashers commented that their InterHash Fijian shirt had a picture of **Dringo** on it, go figure? Then, **Cods** presented our lucky GM with a Fiji InterHash beer glass. We welcomed back many visitors, all TVH3 who have been tripping around the world or found something better to do on a Monday night. **BJ** took her turn to present our lucky GM with a beer, while she was there GM gave **BJ** and **Rammy** a patch for their 50 away runs with Footloose Hash. **Mother Duck** gave our lucky GM a beer, then **Dammit** presented some gifts

from her goody bag. Souvenirs, then would you believe it, out came an **El Dringo** GM Magazine. You never know where they will turn up. Raffles were drawn then on, on to nosh of warm hotdogs n sauce. A great night, thanks Tucker, Camp Tart, Pully and Wart

### **JOKES:**

**Every man should have a woman for love, companionship and sympathy, preferably living at three different addresses.**

If a bird craps on your car, never take her out again.  
**"Doctor, doctor, what's the best thing to take when your run down?"**

**"The registration number of the bastard that hit you."**

There was this specialist who was so good at gynaecology that he could wall-paper his bedroom through the keyhole.

**Patient: Are you the gynaecologist?**

**Gynaecologist: Yes, at your cervix, madam.**

**Patient: I am dilated to meet you.**
