RUN REPORT – 2201: EWOK, CLEVER-PUNT & STREKA.

Monday night arrived again, and a good size pack of hashers had gathered at **Ewok's** home. On-On was called and down the road we went with Phlash leading the way, doing a big loop and almost ending up running close to home. We weaved our way through the streets of Mundingburra and ended up running into the walkers every now and then. **Black-N-Decker** leading the way through more streets and in behind the Cathedral School before heading towards the river. **Serenity** called On-On and down the path beside the river. We headed towards the park at Aplin's Weir where we re-grouped. On-On called and we headed along the path towards Sherriff's Park where we had a drink stop at someone's home. Drinks were had before we headed for 'home'.

The 'circle' was called, the hares (**Ewok, Clever-Punt and Streaka**) and visitors from Hamersley (**X.Y.Z**) and a Perth Harriet were given down-downs. **Shocker** was happy to give the P.O.W tee shirt to **Ram-Rooter** (aka **Rammy**) and the erectus remained with **Jizmbelle** as she had lost it at home??? Some wanna-be hashers were wearing 'blue hash shirts' were given down-downs for trying to cash in on the N.S.W Blues win. Raffles tickets were sold and won by some lucky hashers. The G. M was given more presents from the returning Interhash hashers. Circle finally closed. Nosh was had, and many more drinks were had around the 'fire-buckets'. Great run, great nosh, and great company. All in all, a great night. Thanks to **Ewok, Streaka and Clever-Punt.**

On-On
Wart.

National Tartan Day 17th June

JOKES:

"There's something wrong with my aviaries", she complained. "You mean, your ovaries?" said the gynecologist. "No", she insisted. "it's my aviaries". "Okay, have it your way. Take your cloths off, lie on the table and put your feet up here." "You're right", he said, "it is your aviaries! There's been a cockatoo in there."

There was a newspaper story about the four-foot-tall fortune teller who escaped from jail and the headline read – 'Small medium at large.'

The time keeper was checking the bus driver's running sheet. 'What time did you pull out this morning, Paddy?' "I didn't", said Paddy, "and I've been worrying about it all day".

ON THIS DAY - 18 JUNE:

806 – Rus Vikings attack Constantinople.

1178 – Five monks at Canterbury report an explosion on the moon – only known observation.

1529 – Blackfriars begin: Henry VIII & Catharina of Aragon.

1767 – Samuel Wallis, an English sea captain, sights Tahiti, considered to be the first European to reach the island.

1812 – War of 1812 begins as US declares war against Britain.

1873 – Susan B. Anthony is fined \$100 for voting for US President.

1892 – Macadamia nuts first planted in Hawaii.

Sung to the tune of "Amazing Grace"

A - maz - ing beer,
A taste profound,
A whole keg just for me!
The pack is lost,
But home I've found,
The beer check just for me.
