### RUN REPORT – 2205 Catblew and Cowboy

A fairly cold pack arrived at **Cowboy's** place (apart from **Captain** who turned up in a threadbare singlet) and we were immediately concerned as there was no drinks trailer, but this soon remedied. The pack was sent on its merry way with some of us relegated to ensuring the safety of the trailer and pretty soon true to form **Catblew** dragged out the fire bucket and proceeded to warm us all with welcome fire. The runners, walkers and Lilliput hash returned to find a well lubricated trailer pack with the fire roaring, jockeying for the warmest position became the next important activity of the evening. After some nibbles and a few more bevies the **GM** called the circle, which didn't go too long, a few well-deserved charges were dished out and raffles drawn for some lucky hashers to win. **Swamp** must have been getting in touch with his feminine inner and swapped **Cummando's** hot pink beanie for a boring white one (at least it was a TVH3 beanie) and after the **GM** sprung scribe duties on unsuspecting **El'Dringo** the circle was closed, and nosh was on, lovely hot pies with mushy peas, yummo, which went down a treat. Couple more beers and it wasn't long before the pack wandered off into the cold milky blackness of evening.

Another top evening of hashing, good company, good nosh and cold beer

On-On **El'Dringo**

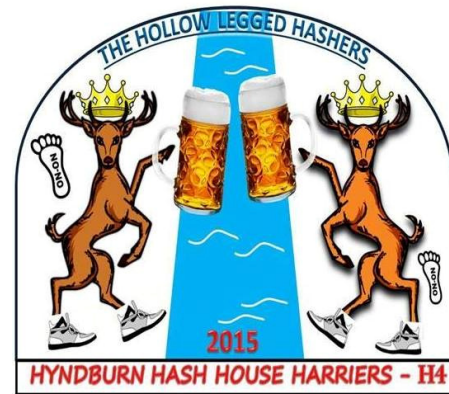

### JOKES:

Fred was giving his bald mate a bit of a stir." Your head reminds me of my wife's bum" he said, rubbing Jim's nude nut. 'By golly, your right', said Jim, putting his hand on his head, 'it sure does'.

**Q.** Why are trombones like elderly parents?

**A.** Both are unforgiving and hard to get in and out of cars.

**Colin was always sent for coffee in the nudist colony. He was the only man who could carry 2 cups of coffee and 12 donuts at a time.**

Hyndburn Hash House Harriers, Lancashire,  
England

### ON THIS DAY:

**463** – The start of Lunar Cycle of Hilarius

**1439** – To stop the 'Black Death' from spreading, kissing is banned in England
