RUN REPORT – 2208 – Homo, Gaylic, Gum Boot and Clitus

We all squeezed into the abode at 13 Sunningdale Crt. with lots of praise spoken about our Celebration run.

We shouldn't be amaze at our HIDDEN TALENTS because we are just a f**king amazing Hash group.

The runners went to the LEFT, walkers to the RIGHT.

Then we crossed over somewhere near a bridge. Runner went onto the RIGHT, walkers to the LEFT.

After the rotunda drink stop we saw a spectacular falling star showing us the direction home. We were blessed like Jesus. Maybe **BENTA'S** brother "The Pope" had something to do with this....

POKEHER was gifted the "Erectus" for not sitting on cow shit at the Celebration run.

The cows did gaze in astonishment as we drove over the grid or were they on the look-out for her....

The P.O.W. shirt was given to **PULLY** for something about falling into the fire I think??? But he's sporting what looks like whip lashes across his face. Personally, I think he might have had too much of a rough time in the "**Serenity**" room.

SHATTER has branched out and is in competition with the **G.M.** and now has a "Mobil Serenity" room offering FREE GUARANTEED (CUM) SPRAY ON. We now know why he spent a lot of time in the "**Serenity**" room.

He was scouting for ideas, but he over looked the safety hazards there especially when **STREAKER** tripped over HIS safety Boots and fell for him big time. He took all this laying down.

CAPTAIN was really quick to comment on **SHATTERS** new business, guaranteeing "**SHATTER FACTION**"

He's so gifted that the next thing we'll be seeing is him flashing appellations after his name (without a comma).

E.g. **Shatter** BB (HONs) Dip Hashing. (Bachelor of Bullshit).

Or.... **Shatter** AssDg. (associated degree in Bullshit).

The circle had some good charges, songs & bantering as usual.

I think this was enhanced by the "Complimentary" drinks **MISS DAISY** was handing out.

A good night
ON-ON

DUNKIN.

ON THIS DAY 6 AUGUST:

1181 – Supernova observed by Chinese and Japanese astronomers.

1856 – The Great Bell is cast in the Great Clock of Westminster (Big Ben).

1945 – An Atomic bomb is dropped on Hiroshima by the US B-29 Superfortress the "Enola Grey".

JOKES:

At a political rally, the Labour Party man was claiming that the Hawke Government was the best Government Australia ever had.

"Hawke should be bloody well hung" shouted a heckler.

"He is! He is!" shouted Blanche.

What did one ovary say to the other?

They must be having a party downstairs. Two nuts are trying to push an organ up the passage.

Terri the tart was such a good-time girl that when she died they had to bury her in a Y-shaped coffin.

Phil was banned from the dance class because of the way he did the fandango. He had his fan in one hand and his dango in the other.
