RUN REPORT No. 2216 – Coyote Ugly & udders:

Before I start this report I would first like to know does anyone even still read these things? (asking for a mate). The pack gathered at **Cat Blew's** house. Not cats actual house but cats house next door to cat's actual house. (Yea that make sense I think) **Coyote** sent us off informing the runner there will be two drink stops on the run crappp!!!! So off we went on this suspected long run. Very quickly we come to our first drink stop. OMFG LOL out loud it was a water fountain. Very funny guys. Not long after the first drink stop **Phlash** proved to us that the apple does not fall far from the tree tripping over nothing and hurting her ankle. The rest of the runners continued on the long run while two who should not be named short-cuttet about half of the run (you know who you are). After the run/walk/pub crawl/trailer piss up we were all back together in cats prementioned back yard. The vibe was very casual and laid back until fire bug cat decided to smoke out the whole back yard, but the fire was eventually put out and everything went back to normal. Well normal for hashers. **Teaser** called the circle and **Ballsy** was told to shut up. **Coyote** introduced us to his good mate **Locky**. But if I remember correctly he has been trying to get Locky to come to hash for over a year now soooo some friend (just saying). **Commando** finally gave up the prick of the week shirt and passed it on to **El Dringo**. Wow I bet no one saw that coming. **Pussy Lane** passed the erectus on to **Tyson** that was very bad pussy. Tradition say it should be passed on to a new runner ie **Locky**. **Cuttle-Fish** was accused of attacking **Soft N Creamy** in the ocean while she was pretending to paddle board. Next came the nosh. Not too shabby **Coyote**. The night ended with the usual consuming shit tones of grog and solving the world's problems. All and all a good night by all On-On until next week.
Shocker.

Lord, grant me the serenity to accept the things I cannot change, the courage to change the things I can and the wisdom to hide the bodies of the people I had to kill because they pissed me off.
