RUN REPORT 2219 – Gash, Slash minus Phlash:

It's **03.00 hours, Sunday morning**, and **NO** run report, so here goes.

The pack gathered, out the front and follow trail, apparently there wasn't much, but trail was followed. The runners ran and ran, the walkers walked and walked to the drink stop. Some concoction was created and drunk. More running and walking, finally arriving home. Awaiting the arrival of the pack was a scrumsious entrée of **Gash's** dip and chips, nuts, etc.

The circle was called, you truly copped a couple of down-downs; run, walk, pub and trailer reports were given; raffle tickets were sold and some lucky recipients were winners; charges from the floor was called for and the recipients were severely punished. Nosh of hash mash was served and eaten; ales and wine flowed; **Blow Back** has his driver back; scribe was nominated; **Swamp** departed to **Pick-up Tart Ann**.

The food was great; an enjoyable run / walk; the beer, wine was cold. All in all, a good night, great fellowship; and good company.

On-On **Swamp** (NOT the scribe)

ON THIS DAY:

Today is **National Nut Day**.

1721 – Tsar Peter the Great (our G. M's ancestor) becomes 'All-Russian Imperator.

1878 – The first Rugby match played under floodlights took place in Salford, between Broughton and Swinton.

1884 – The International Meridian Conference took place in Washington D.C, adopts Greenwich Mean Time (GMT) worldwide, thus creating 24

International time zones with longitude zero at the Greenwich meridian.

1964 – EMI record / label reject audition by 'High Numbers'. They go onto become 'The Who'.

1966 – USSR (Russia) launches 'Luna 12' for orbits around the moon.

1968 – Apollo 7 returns to Earth after a period in space.
