Benta Beaks 80th birthday in February, 2019, NO presents, please, @ El Dringo's abode

RUN REPORT 2223 – Clever Punt, Ewok, Streaka.

(To the tune of The Horses by Daryl Braithwaite)

We will run, we will walk,
We will patronage the pub,
Or some will stay gathered round the place,
Guard the trailer and talk shit.
And if the trail is marked well, and a drink stop is included,
You know the trail was a great one,
And there were few complaints to be had,
Well none that I heard though.
Can you hear them?
They're singing so loud.
Trying to find the note, singing down down-down.

[chorus] That's the way it's gonna be, little Hashers.

Following trail from **Ewok**, yeah-yeah.
Never got lost at all, little Hashers.
Even though we got stretched out, got stretched out.
We left right on 6pm following Shatter with no map,
Seems to be a running theme this year.
And we went left, and then we went right,
and sometimes right and left.
Soft n Creamy tooted that little horn,
and **Shocker** led the run pack.
Zigzagging between the walkers pack,
Ahead of **Wart** and **Rooster**.
Competitive runner, deserves a few charges.
But then we all caught up, at the drink stop.

[chorus] That's the way it's gonna be, little Hashers.

We headed back to **Clever's**, yeah-yeah.
Walking pack split up, little Hashers,
Ross River Road or chalk arrows.
That's the way it's gonna be, little Hashers, Hash
Lots and lots of visitors, yeah-yeah
Cock-Cock serenaded us, little Hashers
and **Cunnalingus** bemoaned the BOM, BOM
That's the way it's gonna be, little Hashers.
Not a lot of charges, yeah-yeah.

Tracey got Erectus, little Hashers.
And **Hemorroid** got the Prick, got the Prick

On-On,
Soft N Creamy

ON THIS DAY: 19 November

1805 – Lewis & Clark's (explorers of the American continent), expedition reaches the Pacific Ocean (from East to West), the first European Americans to do so.

1861 – Julia Ward Howe (American poet and author) committed the song "Battle Hymn of the Republic" from memory to paper.

1863 – US President Abraham Lincoln delivered his famous speech 'The Gettysburg Address' beginning with the words "Four score and seven years ago..." (87 years ago, for the non-mathematical)

1872 – E.D Barbour, of Boston, is awarded the first US patent for the first 'calculator', an adding machine capable of printing totals and sub-totals.

1887 – Start of Sherlock Holmes "Adventure of a Dying Detective" (BG).

1895 The 'pencil' is patented by an American inventor, Frederick E. Blaisdell.

1919 – US Senate rejects (55 to 39) the Treaty of Versailles & League of Nations.

Leman-Geneva Hash House Harriers
(has since been disbanded)
