Run 2231

Hares: Teaser and Know Knob

First run for 2019 the pack gathered at number 7 Seventh Ave South Townsville, much larger number obviously all on track with New Year resolutions (run more - drink more!).

Runners and walkers headed out through the back streets, mud and over dodgy pipes where both ended up at Victoria park for a drink stop- pity about the warm, dodgy water, but the concoction of ginger and something went down well with most of the pack.

Circle was called, POW – Hercules was very brave and handed this onto the GM- who accepted gracefully, Erectus went to Cat Blew- can't remember why.

More down downs, lots crap flowing within the circle, raffles won by lucky pricks not me.

Excellent nosh continuing with the New Year trend of Ham and salad- mind banana cake to finish.

ON ON to next week's run at Betty Barefoot, Bentabeak & Crappa.

GUMBOOT

Tongue twisters

There was a fisherman named Fisher who fished for some fish in a fissure. Till a fish with a grin, pulled the fisherman in. Now they're fishing the fissure for Fisher.

Denise sees the fleece, Denise sees the fleas. At least Denise could sneeze and feed and freeze the fleas.

Life is short, smile while you still have teeth.

I used to think I was indecisive, but now I'm not too sure.

Why couldn't the bicycle stand up by itself? It was two tired.

What do you call a fat psychic? A four-chin teller.
