TVH3 RUN 2235

With water having risen and we all hoped to be going down a small but spirited pack, arrived at Self Abuse and Pick Up's abode and hunkered down under the car port and made sure the piss was cold. Wasn't long and Self gave us some questionable directions for walkers and runners, any way off we went, runners did the end of camelia Crt and the runners(all three of them) disappeared into the milky drizzle. That was enough excitement for most of the walkers as we returned to the trailer totally exhausted. Many free beers ensued endorsing Shatter as the best GM since Dringo, circle was called and lots of fun was had, GM is settling in well, Dringo bought a friend called Therese who was rather displaced as her house on Abbot st went under in the flood, she recons she be back, bad a ball with all these crazy Hashers, raffles were drawn and won and we had more free beers. Eventually the pack wandered off. Top nosh as always, thanks Self and Pick Up, great night with the Hash family. Hope all safe and dry(if that is what you want lol)

On On El'Dringo

What did the traffic light say to the car?
Don't look! I'm about to change.

What's the difference between an oral thermometer and a rectal thermometer?

The taste.

To begin to toboggan first buy a toboggan, but don't buy too big a toboggan. Too big a toboggan is too big a toboggan to buy to begin to toboggan.

Betty Botter bought some butter
But she said the butter's bitter
If I put it in my batter, it will make my batter bitter
But a bit of better butter will make my batter better.
So 'twas better Betty Botter bought a bit of better butter

A beautiful woman loves to garden, but can't seem to get her tomatoes to turn red. She asks her neighbour, "What do you do to get your tomatoes red?"

He replies, "Twice a day I stand in front of my tomato garden and expose myself. My tomatoes turn red from blushing so much." The woman decides to do the same thing. So twice a day for two weeks she exposes herself to the garden. Her neighbour asks, "How did it go? Did your tomatoes turn red?" "No," she replies, "but my cucumbers are enormous."

A salesman rings the door bell and Little Johnny answers.

Salesman: "Can I see your dad?"

Johnny: "No, he's in the shower."

Salesman: "What about your mother? Can I see her?"

Johnny: "Nope. She's in the shower, too."

Salesman: "Do you think they'll be out soon?"

Johnny: "Doubt it. When my dad asked me for the Vaseline, I gave him super glue instead."
