The "MUD ARMY" Hashers would like to borrow (for croc nash hash) "Back to the Trenches with the Wenches" T-shirts.....

Deliver to Dunkin or Suzie Wong please. Will record names who have given shirts.

I would like to thank ALL the Hashers that gave their condolences on the passing of my companion - TINA.

I'm over whelmed by your support and appreciate the strength you have rallied around me. It has me feeling quite humble. I'm so pleased to be a part of this group (TVH3).

Thank you all

RUN REPORT 2242

The quiet court of Angela was shocked when the arrival of a bunch of outcast so called runners flocked up to the dwelling of Ballsy and Imelda's. Pre drinks and bullshit was on the cards while we waited for the all-important instructions for the run and walk. Hopes of a good run was not high after the piss poor instructions was given from Ballsy. So off we went down the road following a very similar trail to what we have seen before. Somewhere and somehow on the run, Coyote Ugly went missing but found by another hasher and hitch hiked his way straight to the drink stop (Lazy Bastard.) At the drink stop some of the old Hydrodynamics enthusiasts, theorised about the water flow through the area during the floods. The conversation will eventuate to nothing, but it made them feel special and smart. After the 10-year plan was devised it was on, on back to home. A nice short run/walk back home. Even shorter when you take a short cut. The usual chit chat and so-called socialising took place right up to when the circle was called. Ballsy was told to shut up and the run reports were given. Coyote was rightly given the prick of the week shirt for reasons I can't remember why. The erectus was passed on to good old shocker under a false accusation, one of which can have some very bad consequences to Been Flickers man. Other shit happened during the circle like down downs and raffles. You know the usual shit. Nosh was corn beef sangers with a side of whatever the hell you were drinking at the time. The night went on and the trailer got emptier. A good night was had by all.

On On shocker.

For his birthday, little Jesse asked for a pony. His father said, 'Son, we'd give you one, but the mortgage on this homestead is \$5,000 and your mother just lost her job in town. There's no way we can afford it.'

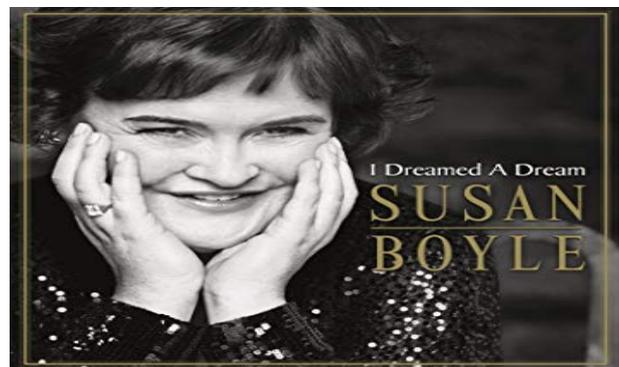

The next day the father saw little Jesse heading out the front door with a suitcase and a saddle.

So he asked, 'Son, where are you going?'

Little Jesse told him, 'I was walking past your room last night and heard you telling mom you were pulling out.'

Then I heard her tell you to wait because she was coming too, and I'll be damned if I'm staying here by myself with a \$5,000 mortgage and no fucking PONY.

I've been taking Viagra for my sunburn. It doesn't cure it but it keeps the sheets off my legs at night.
