RUN REPORT 2243

This may astound some people but even though I am the Matriarch of Townsville Hash am still capable of reading, writing and who would believe it – emailing Run Reports. So here we go with Run2243 if my memory serves me correctly.

We arrived just in time to see the last of the pack heading towards Hermit Park. **Ballsy** being a superbly fit athlete caught up with stragglers fairly quickly. Having decided I really should expend a bit of energy took off after them at the speed of a flying turtle. I managed to keep them in my sight until **Pick Up** rescued me with a bit of a shortcut to the now dry abode of **Slash**.

After the runners arrived it was a quick walk back to the trailer. The runners went? Who cares!

Back at the trailer beers were being consumed at a great rate of knots and a lot of Bullshit being spread.

Time for the circle! (and a lot more Bullshit)
It was revealed **Groper** has been living the high life in the USA and didn't even bother to invite his Hashing Friends. Having been given the erectus he abused the privilege by indulging in a Golden Shower. Ungrateful prick **Coyote Ugly** being a simple soul bestowed the POW shirt on **Pull Thru** because he could.
BRILLIANT

An amber alert was put out to **Mother Duck** for neglecting her children and **Wart** was put on notice regarding the rescuing of Damsels in distress. **Wart**, the Damsels are supposed to be rescued before they get stressed not becoming stressed because you tried to rescue them

Great result from the raffles as **Ballsy** won the first one and when I drew the next ticket it was mine.

Great Nosh – I have it on good authority Hash is getting Corn meat a very good price. **Wart** is like a kid in a Chocolate Shop.

Great Night

Imelda

A man and woman were married for many years. Whenever there was a confrontation, yelling could be heard deep into the night. The old man would shout, "When I die, I will dig my way up and out of the grave and come back and haunt you for the rest of your life! Neighbours feared him. The old man liked the fact that he was feared. Then one evening, he died when he was 98. After the burial, her neighbours, concerned for her safety, asked, "Aren't you afraid that he may indeed be able to dig his way out of the grave and haunt you for the rest of your life? The wife said, " Let him dig. I had him buried upside down...and I know he won't ask for directions.

I'm going to stand outside. So if anyone asks, I am outstanding.

Q: Who was the worlds first carpenter?

A: Eve, because she made Adam's banana stand

Q: Why do vegetarians give good head?

A: Because they are used to eating nuts!
