Run Report 2246

Hares – Hot for male and Tyson.

A reasonable sized pack gathered at the hare's abode. Much mingling and dribbling B.S, swigging piss and just ambling around. At the appointed moment, **Tyson** mounted the trailer (a fair feat), mentioned something about "out the front gate, turn right then right again and follow the trail masters, there'll be some shiggy at the end of the run. So, the pack at a pace of 1000 snails, vanished through the front gate and true to the hare's word, turned right, stepping over a 'dead' snake, turned right and across Minden Park /drain. Turning right, left, right and left again, the walkers meandered their way through the streets of Rosslea, etc. We saw an image of the runners somewhere on the trail but they disappeared before we even got close. Finally walking for what seems miles and miles (to the younger hashers, that's kilometres and kilometres in your language). Finally dying of thirst and exhaustion, we made the drink stop, somewhere near the Golf course. drink stop over and drunk, we made our weary way back to the hare's abode. Tyson, you lying toad, there was shiggy both at the start of the run and at the end. Typical, can't trust a former weather F&*#@\$. Circle was called, hare's given down-downs, **Swamp** charged for nearly electrocuting **Wart**, even though Swamp was no-where near Wart at the time. More down-downs, more charges. Welcome to two visitors – Ethel from Bunbury?? and Stumps from Bundy and also Nameless. Some of the older hashers might remember Stumps as 1/3 of the 'Sleezy, Stumps and Sinner, of the famous trio. Raffle was drawn and prizes were won. Nosh was placed on the allocated dinner table and consumed with ravenous delight. I suspect it was a good run but the walk was toooooo long, for my liking. Nosh was delightful, piss was cold, conversation was being heaped up. All in all, a great evening of drinking and fellowship. On-On Swamp.

A desperate looking woman stood poised on the edge of a high cliff about to jump off. A filthy tramp wandering by stopped and said, "Look, since you'll be dead in a few minutes and it won't matter to you,..... How about a shag before you go?" She screamed, "NO! Bugger off, you filthy old bastard!" He shrugged and turned away, saying "Okay, I'll just go and wait at the bottom then." She didn't jump.

An Irish painter by the name of Murphy, while not a brilliant scholar, was a gifted portrait artist.

Over a short number of years, his fame grew and soon people from all over Ireland were coming to the town of Miltown in County Clare, to get him to paint their likenesses.

One day, a beautiful young English woman arrived at his house in a stretch limo and asked if he would paint her in the nude. This being the first time anyone had made such a request he was a bit perturbed, particularly when the woman told him that money was no object; in fact, and she was willing to pay up to 10,000 pounds.

Not wanting to get into any marital strife, he asked her to wait while he went into the house to confer with Mary, his wife. They talked much about the Rightness and Wrongness of it. It was hard to make the decision but finally his wife agreed, on one condition.

In a few minutes he returned.

"T'would be me pleasure to paint yer portrait, missus," he said "The wife says it's okay.

"I'll paint you in the nude all right; but I have to at least leave me socks on, so I have a place to wipe me brushes."

T'is why we love the Irish. •
